Activities

Activities: 'It makes grants, donations, loans, gifts or pensions to individuals'

Purposes: 'the advancement of public participation in sport'

What the charity does: To allow participants who might otherwise be excluded from participating in a sport. We hold weekly training sessions where coaches assist our members by suggesting ways that might assist members to improve their techniques and understanding of Boccia & rules. The members also participate in competition, where members are encouraged to have fun/enjoy playing in a competition rather than 'they must win'. If they win that is a bonus. There is also a social side to the club, they met with friends and have fun. Some members are going to see a Panto & have a meal after. We are currently working with Scottish disability sports to develop more structured practice.

Beneficiaries: 'People with disabilities or health problems'

Objectives: 2.1. The objects of the club shall be for the relief of disabled persons by the provision of facilities for such persons to participate in the sport of Boccia so as to improve their conditions of life.
