## **Strathmore Centre for Youth Development – SCO35634 Report of the trustees for the year ended 31 March 2025**

The Trustees have pleasure in presenting their report for the year ended 31 March 2025. This report is prepared in accordance with the Trust Deed and Companies Act requirements.

The financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

### **Structure, Governance and Management**

#### Constitution

The charity is a Scottish Incorporated Organisation (a SCIO - Scottish Charity Number SCO35634) which was registered in its current legal form in September 2012. It was established as a Young Person led One-Stop-Shop unincorporated voluntary association in March 2004 and began operating in May 2005.

SCYD is a young person led membership organisation (aged between 11 and 25 years of age). Board members serve for one year and can appoint or co-op new Board members to fill any vacancies. Members are eligible for re-election.

The Board, which holds overall responsibility for the organisation, is constructively supported by a Youth Work Manager and a support team to effectively plan, develop and deliver the Universal Youth Work Strategy. The Facilities Administrator reports to the Manager and has an integral involvement in the development of Wellmeadow House as a Community Hub. The Finance Officer reports to the Board through the Chair but will have an influential effect on the finances underpinning the delivery of the Youth Work Service. This also includes supporting SCYD's role as Lead organisation for the partnership organisation the East Perthshire Youth Alliance (EPYA).

#### Recruitment and Appointment of Trustees

The office bearers of the charity are the Trustees. The members meet each year at the AGM to elect the Board that manages the day to day affairs of the organisation.

#### Trustee Induction and Training

The Committee members are paired up with an experienced serving member of the committee who will act as their mentor. This provides the new members with direct access to someone who can inform, advise and support them in their period of office.

#### Risk Management

Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects.

### **Year ended 31 March 2025**

#### **Objectives and Activities**

The Organisation's purposes are:

To advance citizenship or community development by:

- offering support and leadership to reinforce roles within the community by working in partnership with statutory and other voluntary agencies within the area.
- to act as a focal point for young people's issues as well as providing a platform to give young people a "voice" in the community.
- by facilitating mutual learning and support with all sectors of the community – particularly between old and young and therefore enabling better understanding of the needs of each other leading to enhanced community harmony.
- To advance health by maintaining a safe environment for addressing people's issues, including physical and mental health, also offering a platform for young people to build self-esteem and promote healthy lifestyles.
- To promote equality and diversity by ensuring that services are fully inclusive in terms of age, gender, geography and circumstance.

#### **Achievements and Performance**

This past year marks the first full year of SCYD's ownership of Wellmeadow House, following its purchase under the Community Empowerment (Scotland) Act 2015. While this milestone has been a source of great pride and opportunity, it has also presented challenges as we balance the responsibilities of ownership with our commitment to delivering high-quality youth services. Despite these challenges, Wellmeadow House has quickly become a cornerstone of our work and a visible symbol of our commitment to young people and families in Blairgowrie and Rattray.

Over the past year, SCYD has continued to grow and consolidate its programmes, maximising the skills of our dedicated Youth Work Team. Our partnership with Blairgowrie High School and its feeder primaries has strengthened further, particularly in supporting pupils during their transition from P7 to S1 through our Junction Programme. Making Better choices project, where we took the Primary 7 classes from the 3 primary schools around the fire station, police station and Wellmeadow house, Alongside Scottish fire and rescue, Police Scotland and PKC Safer community wardens. The aim of this project is to engage young people in open discussions and activities at each venue around safety, abandoned buildings, antisocial behaviour and an introduction to SCYD. Great feedback was received by all that took part.

### **Year ended 31 March 2025**

#### **Objectives and Activities (continued)**

In addition, we have continued to support young people through our Shine group, which provides a safe and inclusive space for LGBT young people to meet, share experiences, and access support. The group has gone from strength to strength, fostering understanding, belonging, and confidence among its members, while also promoting wider community awareness of inclusion and equality.

The Great Outdoors (GO) Project remains a cornerstone of this work, consistently proving popular and impactful. Delivered in collaboration with partners such as PKC countryside trust, Blairgowrie High School, Biodiversity Blairgowrie and Blairgowrie and Rattray Development Trust. The project helps young people reconnect with nature, build resilience, and develop new skills. To further support wellbeing, all staff have undertaken Mental Health First Aid training, ensuring they are equipped to assist both young people and colleagues when required.

Complementing these initiatives, the Youth Den and other activity areas within Wellmeadow House provide a safe, welcoming, and engaging environment for a wide range of activities. Our Street Work continues to be vital, often delivered in partnership with the Police, Fire Service, and Street Wardens. This outreach has proven exceptionally positive, engaging young people who might otherwise feel excluded. It also provides opportunities to co-create local solutions with service providers. Initiatives such as “Streetsports” continue to be well supported and highly valued by the community.

The cost of living crisis remains one of the most pressing challenges for our members and their families. In response, food is provided at every session, ensuring young people have reliable access to nourishment. Group cooking sessions have also been integrated into evening programmes, offering inclusive, enjoyable, and practical opportunities to develop life skills while sharing the benefits of communal meals. These initiatives foster both wellbeing and a sense of belonging among participants.

The year has also been marked by creativity and growth across SCYD’s wider programmes. Our Holiday and Residential programmes continue to play a vital role in developing young people’s skills, confidence, and community connections. Groups such as Shine contribute significantly to the inclusivity and diversity of our programmes, providing innovative spaces for young people to express themselves, build confidence, and engage in meaningful peer support. Collectively, these experiences support personal development and broaden young people’s horizons well beyond the immediate activities.

None of this work would be possible without the strong network of partnerships that underpin SCYD. We extend our deepest thanks to Local schools, the Police, Fire Service, Street Wardens, and the many organisations and individuals who work alongside us. Equally, we are profoundly grateful to our funders, whose generosity ensures that SCYD can continue to deliver a comprehensive and responsive service for young people and their families.

### **Objectives and Activities (continued)**

As we look forward, we remain guided by our core principle of partnership—between members, staff, and community—underpinned by the outstanding leadership of our Manager. Together, we will continue to build on the achievements of this past year, ensuring that SCYD remains a vibrant, resilient, and forward-looking organisation at the heart of our community.

### **Financial Review**

Our main source of funding is through donations, grants, and charitable activities. Overall income of the year of £180,529 included grants and donations of £171,955 and receipts from charitable activities of £8,574. Expenditure of £194,601 led to a deficit of expenditure over income of £14,072 in the year.

The general or free reserves consist of the Unrestricted Funds less the value of designated funds and tangible assets that are not readily available to be spent.

### Investment & Reserves Policy

The Trustees' policy is to retain 3 months' worth of normal running costs in order to meet commitments and cover any unexpected expenditure. Three months normal expenditure stands at £48,500 and Reserves at £82,340.

### Plans for Future Periods

In 2025/26, SCYD will focus on strengthening and sustaining progress across all areas of its work. Key priorities include further development of Wellmeadow House as a welcoming hub for young people and the wider community, and expanding outreach initiatives, building on the successes of our Street Work, Shine group, and partnership programmes to reach more young people who may feel disconnected or excluded.

Supporting young people's wellbeing remains central to our mission. We will continue to build on staff training and explore new ways of providing safe, supportive environments. Addressing the challenges of the cost of living will remain a priority, with food provision and cooking sessions continuing as core elements of our programmes.

Finally, SCYD will work closely with funders and partners to secure the resources needed to sustain and grow services. This includes exploring new funding opportunities, strengthening existing partnerships, and ensuring resilience in the face of external challenges.

We enter the year ahead with optimism and determination, committed to providing life-changing opportunities for young people and their families in Blairgowrie and Rattray.

## Independent Examiner's Report to the Trustees of Strathmore Centre for Youth Development - SC035634

I report on the accounts of the charity for the year ended 31 March 2025 which are set out on pages 8 to 14.

### Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1)(d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

### Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the accounts.

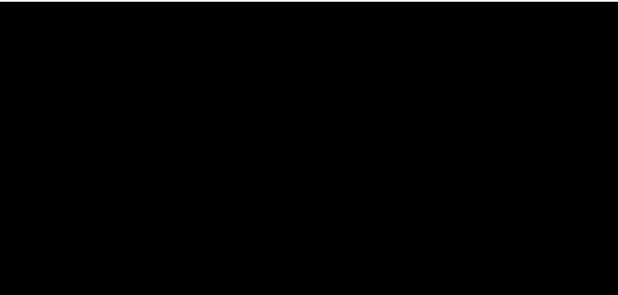

### Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
  - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations

have not been met

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
