Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of the arts, heritage, culture or science'

What the charity does: We are a community brass band, rehearsing and performing all year round. We play in several competitions each year, which over the past 2 years has resulted in journeys south to the UK Finals. We go on trips abroad every 2 - 3 years, and this is funded partially by the members, and supported with grants and fundraising events. Our player subs cover the cost of electricity, insurance, instrument repairs and general running costs. Instrument purchases and large projects require funding support and activities.

Beneficiaries: 'Children or young people', 'No specific group, or for the benefit of the community'

Objectives: The object of the Band shall be to advance the education of the public in the art of music by the presentation of public performances and other activities, including competing in contests.
