Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the prevention or relief of poverty', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: We aim to supply necessary household items for anyone in need for whatever reason by means of referrals received from local authority and various other charities. Packs consist of bedding and general household items. Because the bulk of our supplies are donated by the public we try to respond to the individual needs when we can. This is helping to stop goods going to landfill which might otherwise would have happened. Kettles and toasters are p.a.t. tested by an authorised firm for free. Children are all provided with new bedding the funds for which are applied for to organisations. Hopefully individuals and families are given a help when most needed.

Beneficiaries: 'Children or young people', 'Older People', 'People with disabilities or health problems'

Objectives: 1 to relieve the poverty, suffering and distress of people who are in a condition of need, hardship or distress by providing, or assisting in the provision of, household goods with the object of improving the conditions of life for the inhabitants of Perth & Kinross council area generally but in particular those who have need of such facilities by virtue of their youth, age, infirmity, disability, poverty, homelessness, unemployment or social and economic circumstances. 2 to undertake such other charitable activities as may be helpful to the aforesaid persons.
