Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of citizenship or community development', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended'

What the charity does: The purpose of the Kyle of Sutherland Hub (The Hub) is to provide access to services and activities which provide opportunity, engagement, support resilience, raise aspirations and enhance the area as a place to live and visit. To address the diverse range of disadvantage that exists to our communities from birth upwards due to the remote rural location, and to reduce the effects of those. These are • Social isolation and community segregation • Lack of facilities for children and young people • Lack of facilities to support healthy lifestyles • Lack of employment and volunteering opportunities • Deprivation/ poverty • Decline in local economy through loss of visitor services and attractions • Dispersed and segregated villages We aim to achieve this through fixed income generating facilities and the provision of community-based activities, clubs, and classes. Our fixed facilities include a soft play area, gym, café, second hand point, and a series of fluid rooms which can be hired

Beneficiaries: 'Children or young people'

Objectives: (1) The advancement of citizenship and community development and the provision and organisation of recreational activities with the object of improving the conditions of life for young people and other community members in the Kyle of Sutherland area (being the Parishes of Ardgay, Creich and Lairg in the County of Sutherland). (2) The provision of an open and non-judgmental social and recreational community space where children and young people and other community members can access support and participate in social and community activities, allowing them to become active citizens within the Kyle of

Sutherland area and the wider community (3) The provision of facilities and activities for health, recreational and other leisure time activities for young people and other community members that enhance community cohesion, life skills and opportunities (4) The provision of opportunities to support the development of young people and other community members. (5) The provision of facilities for recreation and other leisure time activities for visitors to the area.
