Activities

Purposes: 'the advancement of education', 'the advancement of citizenship or community development'

What the charity does: We deliver our purpose using the Scout method. This is where Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and: - enjoy what they are doing and have fun - take part in activities indoors and outdoors - learn by doing - share in spiritual reflection - take responsibility and make choices - undertake new and challenging activities - make and live by their Promise. The Group is run entirely by volunteers who make a commitment to do the training provided by The Scout Association. We meet weekly and run activities for young people.

Beneficiaries: 'Children or young people'

Objectives: Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.
