## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of citizenship or community development', 'the advancement of environmental protection or improvement'

**What the charity does:** To preserve, restore and improve the environment in and around the area of Argyll & Bute through the provision, maintenance and/or improvement of public open space and other public amenities and other environmental and townscape regeneration projects. To protect the natural environment from further damage by discouraging the unnecessary depletion of natural resources through waste management. To promote and educate in skills that may assist participants in obtaining paid employment. To relieve ill health and promote good health particularly among residents of Argyll & Bute

**Beneficiaries:** 'No specific group, or for the benefit of the community'

**Objectives:** To preserve, restore and improve the environment in and around the area of Argyll and Bute through the provision, maintenance and/or improvement of public open space and other public amenities and other environmental and townscape regeneration projects, and in doing so, to seek wherever appropriate (but subject to appropriate safeguards to ensure that the public benefit so arising clearly outweighs any private benefit thereby conferred on private landowners) to carry pit works of reclamation, remediation, restoration and other operations to facilitate the use of those purposes of land whose use has been prevented or restricted because of previous use. To protect the natural environment from further damage by discouraging

the unnecessary depletion of natural resources through waste management, recycling and otherwise and promoting education in the fields of waste management and/or recycling and, in particular, collating information and carrying out research in those fields and disseminating such information and the results of such research, all with a view to encouraging the use of more sustainable waste management practices. To promote training and education, particularly in such skills as may assist the participants in obtaining paid employment. To relieve unemployment in such ways as may as may be thought fit, including assistance to find employment. To relieve ill health and promote good health, particularly among residents of the Operating Area. To provide within the Operating Area facilities for recreation and other leisure time occupation available to the public at large with a view to improving their conditions of life. To promote for the public benefit the preservation (whether wholly or in part) of buildings and other structures of historic and/or architectural significance located within the Operating Area. To promote, operate and/or support other charitable projects and initiatives for the benefit of the community within the Operating Area
