What the charity does: Team Abercromby is a friendly, lively and dynamic group of parents, carers and school staff, all committed to supporting our school and its pupils by raising funds. None of us are experts in fundraising but we all play our part in working together as a team and that is very rewarding. The objective of Team Abercromby is to advance the education enjoyment of the pupils at Abercromby Primary School. While developing effective relationships between staff, parents and pupils. Team Abercromby depends upon a continual cycle of parent involvement. As children reach their final year, so do their parents. Team Abercromby needs and benefits from continuously regenerating membership with new parents.

Beneficiaries: 'Children or young people'

Objectives: a) To work in partnership with the school, to create a welcoming school which is inclusive for all parents and pupils. b) To promote partnership between the school, its pupils and all its parents. c) To develop and engage in activities and fundraising which support the education and welfare of the pupils. d) To identify and represent the views of parents on the education provided by the school and other matters affecting the education and welfare of the pupils.
