Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the prevention or relief of poverty', 'the advancement of education', 'the advancement of health', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage', 'any other purpose that may reasonably be regarded as analogous to any of the preceding purposes'

What the charity does: The Yoker Community Campus delivers a range of health, social care, employability and educational programmes to our communities. We aim to be an organisation that truly understands the needs of those living in Yoker and the communities that surround it, and that works in partnership with those communities to ensure that identified needs are met. Our Values • We believe that every person should have opportunities to reach their potential, and to attain the best possible levels of nutrition, shelter and health • We believe that the best solutions are created within communities themselves and are not imposed upon them by external agencies. • We believe that every person has fundamental value to the community in which they live. • We believe that services should be organised around the person they are for, and not the organisations delivering them. Our Objectives 1. Provide or support services that promote social inclusion and keep families and individuals who are most at risk of is

Beneficiaries: 'Children or young people', 'No specific group, or for the benefit of the community'

Objectives: (1) To provide and/or promote training particularly among residents of the Yoker, Scotstoun and Whiteinch areas of Glasgow and environs ('the Operating Area'), particularly in such skills as will assist the

participants in obtaining paid employment. (2) To relieve unemployment, particularly among residents of the Operating Area, in such ways as may be thought fit, including assistance to find employment. (3) To relieve poverty, primarily among residents of the Operating Area. (4) To advance education, principally among the residents of the Operating Area through: (i) the provision and supervision of learning-orientated activities for school and pre-school children. (ii) the provision of care, guidance, instruction, activities and support directed towards addressing the special educational needs of school and pre-school children in necessitous circumstances. (iii) increasing knowledge and awareness among school and pre-school children of the principles associated with maintaining good health and welfare. (5) To preserve, for the benefit of the general public, the historical, architectural and constructional heritage that may exist in and around the Operating Area in buildings (including any structure or erection, and any part of a building as so defined) of particular beauty or historical, architectural or constructional interest. (6) To help young people, particularly those resident in the Operating Area, to develop their physical, mental and spiritual capacities, such that they may grow to full maturity as individuals and as members of society. (7) To promote and protect the welfare and physical health of the residents of the Operating Area, and to assist in the relief of ill health and the provision of health education for such residents. (maximum text reached, further full information can be obtained directly from the Charity).
