What the charity does: Maryhill Integration Network (MIN) is a grassroots community organisation established in 2001 to bring asylum seekers, refugees, migrants and the settled inhabitants of Glasgow together. MIN develops projects which support positive social change by providing a welcoming space with opportunities for collaboration and connection. To achieve our aims MIN provides a weekly programme of free activities including English and ICT classes, a women's group, a men's group, a family group, an art group, a gardening club, a community choir and a peer-support group. In addition to our weekly programme we host community events, run outreach projects in schools and attend external events across the city to provide information on our work and the issues affecting people seeking asylum in the UK. Alongside our activities and learning opportunities, MIN provides holistic support by providing 2 weekly outreach advice clinics in partnership with CAB and SRC, and signposting to other charities.
