Activities

Activities: 'It makes grants, donations or gifts to organisations', 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of citizenship or community development', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended'

What the charity does: Charity was set up to benefit the people of the Laggan area. We are currently restoring the historic Kilkivan Church and Graveslabs. This project benefits Machrihanish and Drumlemble communities by preserving the resting place of their ancestors. Once completed, it could be part of a tourist trail around Kintyre, boosting local tourism and aligning with our second charitable goal. We are collaborating with Historic Environment Scotland to preserve 14th and 15th-century grave slabs and protect them from weather damage. We aim to secure the church walls, tidy the grounds, and improve access. To obtain funding, we have partnered with the Killeen & Kilchenzie Churches Preservation Association.

Beneficiaries: 'Children or young people'

Objectives: 2.1 The objects of LOAF are to promote the benefit of young people, residents and visitors by providing amenities to advance social, physical and recreational opportunities in the Laggan Area, Kintyre, Argyll 2.2 In furtherance of the above, LOAF will seek to develop safe play and leisure opportunities for younger children by providing playground facilities, and undertake other projects as agreed by the membership which meet the objects of LOAF.
