Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of the arts, heritage, culture or science'

What the charity does: The purpose of the charity is to organise a gala afternoon for the people of Monifieth (and beyond). It usually takes place on a Sunday in late July, and involves as many local organisations as possible, including fundraising group, craft stalls, food stalls, musicians, a dog show etc. As we are determined to keep the event free, we don't have an accurate idea of attendance numbers, but think around 2,000 people come along over the day. The event is growing and is becoming more successful each year.

Beneficiaries: 'Children or young people', 'No specific group, or for the benefit of the community'

Objectives: To encourage a community awareness of local heritage and culture To provide an opportunity for the young people of Monifieth to become interested in the past through structured activities
