### **Recruitment and Appointment of Trustees**

During the year the City of Brechin Pipe Band continued to strengthen its governance structure as a Scottish Charitable Incorporated Organisation (SCIO) through the recruitment and appointment of Trustees to the Board. This process was undertaken to ensure that the organisation maintains strong leadership, appropriate oversight, and a broad range of skills and experience to support its long-term sustainability.

Trustees' recruitment is always carried out in accordance with the SCIO constitution and is based on identifying individuals with relevant knowledge, experience and commitment to the objectives of the Band.

Any changes to the Board of Trustees occurs during the Annual General Meeting which is usually scheduled for October/November each year.

On a monthly basis, the Board of Trustees meet to discuss strategic direction, monitor performance, and support the operational activities of the Band. The continued development of the Trustee group has strengthened governance arrangement and enhanced the Band's capacity to delivery its charitable objectives effectively within the community.

### **Governing Document**

Our governing document is The Constitution of the City of Brechin Pipe Band.

### **Charitable Purpose**

Our purposes, as set out in our constitution, are to advance the education of the public in the art of bagpipe playing and drumming through the delivery of public performances and other associated activities. In pursuit of these aims, the Ban will seek to:

- a) Promote, encourage, and further the development of bagpipe playing and drumming;  
and
- b) Promote and preserve the traditions and performance of pipe band music more generally

The objectives guide the activities of the organisation and underpin its commitment to education, performance, and the continued development of pipe band music within the community.

### **Activities and Achievements**

The City of Brechin Pipe Band continued to maintain a strong and active programme of fundraising and community engagement through the year, helping to generate vital income to support the ongoing development and sustainability of the Band.

Our popular monthly bingo afternoons continued to be well supported by the local community and provide a consistent and reliable source of fundraising income. In addition, the Band successfully hosted its annual Solo Piping and Drumming Competition, which attracted a very good attendance from competitors, spectators and supporters alike. The event generated

valuable additional income through entry fees, spectator admissions, raffles and tuck shop sales, with all proceeds contributing directly towards Band activities and operational costs following the deduction of event expenses.

Further fundraising activities were generated throughout the year to diversify income streams and strengthen community involvement. In November 2024, the Band hosted a successful evening with local medium Annie Moon, which was very well received and enjoyed strong attendance. This was followed by a Colours Fashion Show Fundraiser, held in conjunction with one of our bingo afternoons, which also proved to be both enjoyable and financially beneficial.

In March, the Band organised a fundraising quiz night which attracted excellent support from the local community and provided an enjoyable social event for members and supporters. During the same period, Band members also carried out a bucket collection at a Brechin City F.C match, where the Band performed prior to the game, helping to further raise both funds and the profile of the organisation within the wider community. To conclude the year's fundraising programme, the Band hosted another successful event in September featuring medium Karen Docherty, which again received excellent community support.

Throughout the year, significant investment was made in maintaining and improving the Band's equipment, uniforms, and overall resources to support both performance standards and member development. New equipment purchased included drums, drum practice pads, chanters, pipe chanters, drumheads, snares, drumsticks, tenor drums stands, capes, glengarries, bagpipe covers, and a folding trolley to assist with the transportation of equipment to events and competitions. These purchases were essential in ensuring that members continue to have access to high-quality equipment and presentation standards.

The Band was extremely grateful to receive a generous donation of £1,000 from Edzell Village Improvement Society (EVIS), as well as funding of £6,825 from the Angus Common Good Fund towards the purchase of new jackets and waistcoats. This financial support has played a significant role in helping the Band maintain a professional appearance and continue investing in its future.

Regular weekly practices continued throughout the year, providing both new and existing learners with free tuition and development opportunities. The Band remains committed to encouraging participation in traditional pipe band music and supporting learners of all ages and abilities within the local community.

During the year, the Band proudly represented the town of Brechin at a variety of local and regional events, including the Remembrance Day Parade in Brechin, the Brechin Pageant, the Angus Show, Edzell Gala Day, Fettercairn Show, and the Stonehaven Highland Games. These performances continue to strengthen the Band's visibility within the community while supporting important civic and cultural events.

The Band also returned to competitive performance during the year, taking part in competitions at Banchory, Dollar Academy, Aberdeen Highland Games, the Scottish Pipe Band Championships, the European Pipe Band Championships, the World Pipe Band Championships, and the Pitlochry Highland Games. The Band continues to demonstrate ongoing improvement and progression, and this year marked a particularly significant achievement as it was the first time in the Band's history that qualification for the final at the European Championships was secured.

To further support musical development and home practice, the Band renewed its subscription to Ensemble, the pipe band score editor developed by Time Sig Studios. This software continues to provide substantial benefits to members of all experience levels by enabling accessible practice and learning opportunities outside of regular Band rehearsals.

## **Financial Review**

Following the flooding of the Band Hall, the City of Brechin Pipe Band has continued to maintain its operational activities by relocating weekly practices and bingo fundraising events to the Parkview Bowling Club. This arrangement has enabled the Band to sustain its core activities and maintain engagement with members and supported during a period without a permanent home venue.

During the previous financial year, the Band was awarded a £3,000 grant from Angus Council following Storm Babet. This funding was specifically allocated for the purchase of tables and chairs to replace damaged equipment. At the end of the reporting period, these items have not yet been purchased due to the Band not currently having access to a permanent Band Hall. The funds remain reserved for this intended purpose.

Income during the year was generated through a combination of kit fees, proceeds from annual Solo Competition, and fundraising activities undertaken at various local events attended by the Band. The income streams continue to play a vital role in supporting the Band's ongoing running costs and community activities.

No Trustees were paid for their role during the financial year, reflecting the voluntary nature of the organisation's governance structure and the Trustees' commitment to ensuring that available resources are directed toward charitable objectives.

The Band also incurred costs associated with the hire of coaches to transport members and equipment to competitions and events. Where possible, income was partially offset by offering surplus seats to Band supporters, helping to reduce overall transport costs.

At the end of the financial year, the Band held total unrestricted funds of £19,364.65. Included within this balance is £3,000 designated as restricted funds, representing the unspent grant received from Angus Council under the Storm Babet recovery funding scheme.

During the year, a new savings account was established to maximise interest returns on available funds, thereby improving the Band's overall financial efficiency and long-term sustainability.

Looking ahead, the Band's priorities will focus on increasing learners, maintaining and expanding performance and competition activity, continuing local fundraising initiatives, and securing suitable premises to establish a new permanent Band Hall. These objectives will support the continued development and stability of the organisation.

## **Independent Examiners Report to the Trustees of the City of Brechin Pipe Band**

### **I report on the accounts of the charity for the year ended 30 September 2025**

#### **Respective responsibilities of trustees and examiner.**

The charity's Board are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity's Board Trustees consider that the audit requirement of Regulation 10(1) (d) of the accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)c of the Act and to state whether particular matters have come to my attention.

#### **Basis of independent examiners statement**

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts.

#### **Independent Examiners Statement**

In the course of my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that, in any material respect, the requirements:

- To keep accounting records in accordance with Section 44(1) (a) of the 2005 Action and Regulation 4 of the 2006 Accounts Regulations and
- To prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations

Have not been met, or

2. To which, in my opinion, attention should be drawn, in order to enable a proper understanding of the accounts to be reached.

KIRSTY BRADLEY (PART QUALIFIED ACCOUNTANT)

# Annual report & Financial Statement

For the year ended 30th September  
2024

## **Trustees' Annual Report for the year ended 30 September 2024**

### **Charity Name**

City of Brechin Pipe Band

### **Charity No.**

SC037508

### **Current trustees**

### **Other trustees during the year**

### **Recruitment and appointment of Trustees**

All trustees are appointed or reappointed by the members at our annual general meeting, which is usually held in October each year.

### **Governing document**

Our governing document is the constitution of the City of Brechin Pipe Band

### **Charitable purposes**

Our purposes, as recorded in our constitution are to advance the education of the public in the art of Bagpipe Playing and Drumming by presentation of public performances and other related activities, and in furtherance thereof the band shall seek:

- a) To promote, advance and encourage bagpipe playing and drumming, and ...
- b) To promote the traditions of and playing of pipe band music generally.

### Activities and achievements

We continued with our popular monthly bingo afternoons, providing a regular source of income. The Band held a successful Solos competition which was very well attended. This provided an additional source of income from entry fees, tuck, raffle and spectators fees after expenses were paid. Throughout the year regular practices were held where new and existing learners received free tuition. The Band performed at the Remembrance Day Parade in Brechin, Brechin Pageant, Edzell Gala Day, Fettercairn Show and Stonehaven Highland Games.

This year the Band were out competing for the first time in many years and entered the piping competition at Dollar Academy, the British Championships at Forres, the Scottish Championships at Dumbarton, the European Championships at Perth, the World Championships at Glasgow Green, and the Pitlochry Highland Games. The Band improved with every competition and won 3<sup>rd</sup> place in the Grade 4B group at the Pitlochry Highland Games. For many of the Band it was their first time playing in competitions.

The Band renewed the subscription to Ensemble (pipe band score editor) by Time Sig Studios which continued to greatly assist band members, both novice and experienced, to practice from home.

### Financial Review

The band hall was unfortunately badly flooded during Storm Babet at the end of 2023 and as a result we have had to terminate the lease of the hall. Since then, we have held weekly practices and bingo fundraisers at the Parkview Bowling Club. As a result of the flood, we received an insurance payout for flood damaged items and also received donations from Band supporters.

We received a grant from Angus Council after storm Babet to allow us to buy new tables and chairs. These have not as yet been purchased as we don't currently have our own band hall.

We received membership subscriptions and the proceeds of the annual Solos Competition as well as from stalls we have held at the various events we have attended.

We again have benefitted from a charity exemption from water rates this year for the time we were using the pipe band hall. No trustee expenses were paid during the year.

The Band hired coaches to transport members and equipment to the various competitions and some of this was re-couped by offering the spare seats to Band supporters.

At the end of the year the Band held unrestricted funds of £19,711.60 with £3,000 being held as restricted funds being the Angus Council Storm Babet Grant.

Looking forward, the emphasis will be on increasing membership numbers, continuing performances, entering competitions, local fundraising activities and finding a new hall.

Approved by the Trustees and Signed on their behalf

## **Independent Examiners Report to the Trustees of the City of Brechin Pipe Band**

### **I report on the accounts of the charity for the year ended 30 September 2024**

#### **Respective responsibilities of trustees and examiner.**

The charity's Board are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity's Board Trustees consider that the audit requirement of Regulation 10(1) (d) of the accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)c of the Act and to state whether particular matters have come to my attention.

#### **Basis of independent examiners statement**

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts.

#### **Independent Examiners Statement**

In the course of my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that, in any material respect, the requirements:
  - To keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations and
  - To prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts RegulationsHave not been met, or
2. To which, in my opinion, attention should be drawn, in order to enable a proper understanding of the accounts to be reached.
