## Activities

---

**Activities:** 'It makes grants, donations, loans, gifts or pensions to individuals','It makes grants, donations or gifts to organisations','It carries out activities or services itself'

**Purposes:** 'the advancement of education','the advancement of health'

**What the charity does:** We are a mentoring support project working with all age groups. Education and training of young people by young people on addictions, health-well being and bereavement enabling young people to openly discuss the issues and raise awareness among their peer groups and families. The programme is delivered by young people trained by young people, staff and volunteers. Supporting families with neuro-diverse needs, providing 1:1 and group support, a cuppa and chat group as well as various small monthly activity e.g air fryer cooking on a budget, a drop in information and advice service one day a week with appointments assisting with various issues including finance, housing and support need. Providing a summer and winter holiday programme for all of our groups bringing together during school holidays

**Beneficiaries:** 'Children or young people','Older People','People with disabilities or health problems','People with a particular ethnic or racial origin','Other defined groups','No specific group, or for the benefit of the community','Other charities or voluntary bodies'

**Objectives:** The company's objects are: (1) To improve health and wellbeing promote awareness of addictions particularly alcohol and drugs, providing education and training, through mentoring, transition and support. Highlighting the complexities involved with an individual's substance use, their mental health & wellbeing and that of their children, family and the residents within the community. (2) To promote education and training, particularly in such skills as may assist the participants in obtaining paid employment. Engage, educate and train young people/ youths under 19 years of age with the development of a Peer Education Mentoring, Transition and support model working in partnership with Primary and Secondary Schools. Working in partnership with other service providers within North West Glasgow, the wider community of Glasgow and surrounding local authority areas And to do so in a manner which respects the priorities set

from time to time by the community within the Operating Area (Scotland).

## Geography

---

- **Main operating location:** Glasgow City
- **Geographical spread:** Wider, but within one local authority area
