Objectives and activities

In February of 2019 our local Area Support Team were approached by representatives from social work services with a request to investigate the possibility of setting up a second branch of the existing West Lothian Children's Panel Fund in Falkirk, to provide monetary assistance to children and young people living in the Falkirk area who are subject to Compulsory Measures of Care under the Children's Hearings (Scotland) Act 2011. This was taken forward and the existing constitution amended to two branches in February of 2020.

Applications are received from local authority services where no other sources of funding are available, basically, where there is nowhere else to turn. The application is then considered by the trustees, who are all volunteers and serving panel members, who can grant a small monetary award.

Structure, governance and management

The Fund is guided by our Constitution, which was amended in February of 2020 and by the rules set out by the Charities Commission OSCR.

Trustee recruitment and appointment

Trustees are all serving panel members. As a result, they have direct contact with the local authority and the children and young people in its care.

When recruiting a new Trustee information is sent out to all panel members in the Falkirk area with an invitation to apply for the role. After discussion with themselves and the other Trustees, new Trustees are appointed at an Annual General Meeting.

Trustee recruitment and appointment

In the last year, we have lost one trustee who stepped down as a Panel Member and ultimately had to step away from the panel fund, namely:-

- [REDACTED] January 2025

And recruited three new Trustees, namely:-

- [REDACTED]
[REDACTED] (was involved in fundraising for the falkirk fund previously but was not an official trustee)

In light of information provided by OSCR, we have now introduced a new induction process for Trustees following appointment. This includes reference to the relevant sections of OSCR on the duties of a Trustee. This is discussed with the new Trustee prior to their accepting the role to ensure understanding of the obligations & expectations of the role.

Trustees are now provided with a copy of the Governing document so that there is full understanding of what applications can be considered and, in light of that how decisions can be made.

It is intended that the Constitution and, Governing document will be reviewed annually at our AGM.

Clear guidance is given in regard to conflict of interests which overlaps with that given to Trustees as part of their training as Children's Panel members. It is agreed that where a Trustee recognises an application as being for a child whose Hearing they have sat on & made decisions for in regard to compulsory measures of care, will not participate in the decisions around granting funding for that child.

All new Trustees have been through our new induction process, a copy of which is attached as Appendix 1 to this document.

Achievements and performance

At the start of the year, we set ourselves the following targets -

- Continued recruitment of Panel Members to help with fundraising activities.
- Promotion of the Fund among the Panel community and local authority.
- Resumption of fundraising activities.
- General promotion in the wider community.
- Reinvigorate our Facebook page.

Resignations –

██████████ resigned as a panel member and trustee. ██████████ will be missed as he had a crucial role of dealing with requests and put a lot of his time and effort into ensuring the requests were dealt with quickly and efficiently. We thank ██████████ for his dedication to the fund.

██████████ is taking a break from panel. ██████████ has resigned from the fund. ██████████ was our treasurer and gave her time and expertise to support us. ██████████ will also be missed and we thank her for her time and dedication.

Continued recruitment of Panel Members to help with fundraising activities –

██████████ was recruited as a Trustee.

Promotion of the Fund among the Panel community and local authority-

We have promoted the fund at local panel member learning and development sessions as well as shared sessions with social work services. Local service managers have also been approached to share details of the fund with their colleagues. As a result, we have seen an increase in applications from social work services.

A poster has also been developed to be placed in relevant offices to promote the fund and the upcoming Quiz night.

Resumption of fundraising activities -

This year we have been able to restart our fundraising efforts.

There was a proposed Ladies Day by [REDACTED] but this did not progress as [REDACTED] then resigned from the fund. After losing two Trustees new events are now being planned.

Firstly, we held a Summer Raffle which panel members donated prizes for and raised £318.54.

A Quiz Night is planned for May.

An Afternoon Tea is being considered for November as it was a success last time.

Panel members will plan to do the Kilt Walk in Spring 2026 with all funds raised being donated to the panel fund.

Spending-

During this period, we have approved several applications for funding including, among others –

- A washing machine and dryer for small children who needed clean clothes for school. This allowed the children to attend in clean uniforms.
- Money for tutoring for a young person who was struggling at school. The tutoring helped to boost their confidence.
- An Xbox for a young person who is isolated in residential school to be able to play with his friends from home.
- Money for a young child to decorate her bedroom to provide her with a space she could bring friends.
- A Cineworld card for a young person to be able to visit the Cinema as many times as possible due to his elderly carers

being unwell. This allowed other family members to offer support.

General promotion in the wider community –

We are continuing to promote the fund in the local community with links to local supermarkets and plans to inform the public about the Children's hearing system and how we raise funds for local children.

Reinvigorate our Facebook page –

We have increased the number of Trustees who can post updates on our Facebook page.

Objectives and activities

The West Lothian Children's Panel Fund was established to provide monetary assistance to children and young people living in the West Lothian area who are subject to Compulsory Measures of Care under the Children's Hearings (Scotland) Act 2011, are resident in West Lothian, and have identified need for which no formal funding avenue is available

When a need was identified, at the request of Social Work, for a similar fund in Falkirk, the existing constitution amended to allow two branches of the fund to be created in February of 2020.

The constitution states that any funds raised in West Lothian, should be allocated to children and young people within West Lothian and the same applies for Falkirk.

Applications are received from local authority services where no other sources of funding are available, essentially, where there is nowhere else to turn. The application is then considered by the trustees, who are all volunteers and serving panel members, who can grant a small monetary award.

Structure, governance and management

The Fund is guided by our Constitution, which was amended in February of 2020 and by the rules set out by the Charities Commission OSCR.

Trustee recruitment and appointment

Trustees are all serving panel members. As a result, they have direct contact with the local authority and the children and young people in its care.

When recruiting a new Trustee, information is sent out to all panel members in the West Lothian area with an invitation to apply for the role. After discussion with themselves and the other Trustees, new Trustees are appointed at an Annual General Meeting.

NO current Trustee has resigned and no new ones have been appointed.

All are now represented & recorded as Trustees for the Fund's Trustees Bank Account. All previous Trustees recorded on that account have now been removed. This was agreed & concluded during 2023-24 accounting period.

Trustees are inducted into their role following appointment. This includes reference to the relevant sections of OSCR on the duties of a Trustee. This is discussed with the new Trustee to ensure understanding of the obligations & expectations of the role.

Trustees are now provided with a copy of the Governing document so that there is full understanding of what applications can be considered and, in light of that how decisions can be made.

It is intended that the Constitution and, Governing document will be reviewed at the earliest opportunity in 2025 so that any changes can be incorporated into this document. It is anticipated that due to some changes in the ways children who would have remained on a compulsory Order, in the past, can be subject to a Permanence order that removes the obligation to attend a Children's Hearing every year, there are some children who might be excluded from our consideration

as a result of the current wording. This being too narrow for the current circumstances, it is prudent to review it now.

Clear guidance is given in regard to conflict of interests which overlaps with that given to Trustees as part of their training as Children's Panel members. It is agreed that where a Trustee recognises an application as being for a child whose Hearing they have sat on & made decisions for in regard to compulsory measures of care, will not participate in the decisions around granting funding for that child.

Achievements in 2024-25:

- Promotion of the existence, aims & purposes of the Fund to Children & Families Social work in West Lothian. This has resulted in a notable increase in applications to the Fund in the 2024/2025 year period and £12,122.04 in awards being made in the 24/25 year period.
- We have received a further generous donation from: a donor advised fund in the Cazenove Capital Donor Advised Fund, administered by National Philanthropic Trust UK (NPT UK). This has allowed the Fund to assist many more children and young people at a time of severe financial pressures on many organisations & individuals.
- Annual passes being purchased for Social Work to enable young people to visit Five Sisters Zoo and Almond Valley Heritage Centre meaning even more children can benefit from this fund.

Future plans

Our plans for 2025/2026 include –

- Consideration on fund raising efforts which is now possible as the return to people attending face to face events is presenting new opportunities.
- Continue to highlight the Fund and promote applications.

Additional information

Most enquiries are resulting in decisions to award funds for the stated purposes.

Often, further information is requested by the Trustees and, this has resulted in additional funds being awarded for items not considered in the original application. The Trustees are demonstrating their understanding of what looked after children need and exercising due diligence in their decision making. All of which reflects their skills & experience as serving Children's Panel Members.
