John Struthers was proposed as Chairman. Rob Vincent was co-opted as a Trustee following the AGM

MEMBERSHIP

KCT had 26 full members in the current financial year.

ACTIVITIES AND ACHIEVEMENTS

Having completed and registered the **Kilmaronock Local Place Plan** in May 2024, our focus turned to taking action. Among the projects that KCT intend to pursue and which are included in the LPP are: providing information and help for the community to move to renewable energy sources, improving the network of footpaths and wheeled access routes within Kilmaronock and to & from adjoining places such as Balloch and Drymen, looking at ways we may be able to help with affordable housing and tackling the climate & biodiversity crisis.

An opportunity arose for CARES Community Building grant funding in June 2024 and KCT worked with KMA to investigate reducing the carbon footprint of Kilmaronock Millenium Hall. The funding bid was withdrawn, just as the team were finalising the application. However the work was not in vain, since The CARE Community Generating grant opened in June 2025, and a joint project between KCT, KMA & Gartocharn Trust, Gartocharn Community Solar Project received funding in August 2025, to establish a 92kw solar array, with 36kw battery storage, in the field beside the KMH Carpark. The overall cost is estimated at £109,325, with funding of £88,516 from CARES, £16,000 from Forth Valley Lomond Community Development, and the remainder from KCT and KMA. The installation will meet the majority of the electricity use of the hall, and excess will be sold by KCT as owners of the system. We will establish a fund for community benefit to help with implementing the Local Place Plan, which may received £8k per annum from the sale of electricity. The project has to be completed by March 2026.

Footpath projects: There is finally progress on Aber path, with Friends of Loch Lomond having achieved funding from LLNTP and agreement with the land-owner to repair the bridge. Communication with FoLL and KCT/KCC has been poor, and at time of writing we don't have full details of their plans.

Trustees attend meeting held by LLNTP on developing their Local Development Plan. Strong representation was made that splitting KCC area between South West and South East regions of the park was not acceptable, that KCC should be included with other rural areas in SE.

The Trust received the remaining funds from Gartorag and took on responsibility for paying for Gartocharn.org web domain.

INDEPENDENT EXAMINER'S STATEMENT

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:

The Trustees are elected by members at the annual general meeting. Up to three Trustees may be co-opted by the elected Trustees.

Governing Document

Kilmaronock Community Trust is a Scottish Charitable Incorporated Organisation governed by its constitution.

CHARITABLE PURPOSES

The Organisation's main purpose is consistent with furthering the achievement of sustainable development. The Organisation's purposes are:

- To provide or advance the accessibility of recreational, facilities, and/or organising recreational activities, which will be available to members of the Community and public at large with the object of improving the conditions of life of the Community.

RECRUITMENT AND APPOINTMENT OF TRUSTEES

The Trust has six Trustees, two of whom stand down each year. This year [REDACTED] and [REDACTED] stood down but agreed to be re-elected. [REDACTED] was a co-opted trustee and is now eligible to be an elected trustee.

KILMARONOCK COMMUNITY TRUST

Scottish Charity Number: SC037756

It was moved and unanimously approved to elect John Struthers to trustee and re-elect Andrew Sinnott and Sam Morrison as trustees.

MEMBERSHIP

KCT had 32 full members in the current financial year.

ACTIVITIES AND ACHIEVEMENTS

During the period, much of the KCT focus was on completing the **Kilmaronock Local Place Plan** which was finally accepted by the LLTNPA in June 2024. Many thanks are due to [REDACTED] who chaired the LPP Steering Group and [REDACTED] who did much of the organisation and administration. This was a collaboration with the Community Council and other local groups and considerable effort went into consulting with residents and businesses in our area. We now have a robust document which not only guides KCT project efforts over the next 10 years but also has to be considered by the National Park Planning department and policy groups and by West Dunbartonshire Council where relevant. The plan and implementation plans can be viewed at

<https://kilmaronockcc.org/reference-material>

Among the projects that KCT intend to pursue and which are included in the LPP are: providing information and help for the community to move to renewable energy sources, improving the network of footpaths and wheeled access routes within Kilmaronock and to & from adjoining places such as Balloch and Drymen, looking at ways we may be able to help with affordable housing and tackling the climate & biodiversity crisis.

KCT held a "Greener Gartocharn" event in April which brought together some suppliers and advice services along with members of our community with direct experience of renewables. Unfortunately the event was poorly attended - it was the first warm, sunny day of the spring - but we do have information packs available for anyone interested. We have obtained two thermal imaging cameras for loan to locals - these are great for finding out where your home is leaking heat and where insulation should be improved.

Footpath projects: unfortunately there has been no significant progress on the Aber Bridge path: there is no landowner agreement and no funding. There has been some route-finding and discussion with landowners on a route from Gartocharn to Kilmaronock Old Kirk (also linking to Drymen and/or Croftamie). There is some agreement on sections of the route but not all landowners are currently willing to cooperate.

There were several meetings with neighbouring Development Trusts, arranged by the National Park to get us to consider engaging a shared Development Officer. While this is still potentially a useful idea, none of the nearby Trusts are ready to become an employer at this stage. The discussions also covered mutual concerns including lack of public transport and footpaths, upkeep of community assets, and difficulties in attracting sufficient volunteers with the right set of skills. It has become clear that funding for Development Trusts will be largely become Project-based. The National Park (and Scottish Government) are now expecting that any ongoing costs, such as maintenance of assets, administration and ad-hoc community activities would need to be self-funded with income streams from community assets, fund-raising events or donations. In Kilmaronock, KCT has no such assets so it may be desirable to work with others (such as the Millennium Hall or Private Sector Energy Projects) in order to fund activities which will benefit our community in line with our constitution.

GRANT AWARDS

- Kilmaronock Local Place Plan £4800 from LLNTP
- Greener Gartocharn £1050 from Forth Environment Link

GIFT AID

Due to issues at HMRC the claim for £73.75 was not received until 3rd September 2024 and will be included in next years accounts.
