

## Instructions

On the INCOME tab enter your unit's name, charity number (if applicable) and year end date, in B3, B4 and B5 respectively . These will copy across to subsequent pages. Do not add these manually to the other sheets.

On the INCOME tab enter all of the income for the year, starting in cell A8. Add the value into the relevant column of the sheet (for example column E for subscriptions income). In the method select the method of payment from the list. The sheet will add up the values in each column automatically and provide an overall total in cell O7. Use the reference column to record any additional information, for example if a girl is paying subscriptions in instalments, you can add in the instalment number for ease.

All totals will copy across to the relevant subsequent pages.

On the EXPENDITURE tab enter all of the expenditure for the year starting in cell A8. Add the value into the relevant column of the sheet (for example column F for subscriptions). In the method select the method of payment from the list. The sheet will add up the values in each column automatically and provide an overall total in cell P5. In the reference column you can add in detail about what the payment was for ease of reference or information that allows you to easily check amounts against the bank account / cash tin.

In the STATEMENT OF INCOME AND PAYMENTS, the values for the current year will automatically copy for the previous sheets. Add in the values from the previous year in column D. The sheet will calculate the surplus / deficit for the year.

In the STATEMENT OF BALANCES tab, add in the relevant start and end of year bank balances and the amount held in cash at the start and end of the year. Add in the value of any cheques written during the year, but not cashed at the year end. The values in B13 and B20 should be the same.

In the TRUSTEES REPORT tab add in your district and division details (as relevant - delete one of the lines if you do not require both). Add in the name of the trustees (unit leaders), the registered address (as is registered with OSCR) and the total number of girls who have been in the unit within the year in line 25 (not necessarily all at the same time). In line 26, if your accounts vary significantly from those of the previous year, add in any reasons why this might be.

In the INDEPENDENT EXAMINER tab, once the accounts have been examined, the independent examiner should add their name, address and signature.

The STATEMENT OF BALANCES and TRUSTEES ANNUAL REPORT needs to be signed by the leader who prepared the accounts .

3RD PARTY FUNDRAISING: if your unit has raised money for another charity, the amount raised should be shown in the 'INCOME' tab, and the expenses/donation in the 'EXPENDITURE' tab. These 2 values must be the same. For example, if you hold a coffee morning for Children In Need, the money collected (i.e. £43.50) should be shown in 'INCOME' and £43.50 should be shown also in 'EXPENDITURE'. This could be the whole £43.50 was donated to Children in Need, or £38 was donated to Children in Need & £5.50 was spent on tea/coffee/biscuits for the event.

Please note: The money your unit receives in donations or subscriptions (whether OSCR registered or not) should be used for the unit, so should not be used to donate to other charities (i.e. rounding up the Payment to Children in Need to £50)

Some things to be mindful of:

Accounts are still required even if your unit is not OSCR registered; You are looking after someone else's money and have a duty to take care of it and account for what you have done with it.

Your accounts MUST be independently examined

The independent examiner should have no connection with the charity trustees that might inhibit their ability to carry out an impartial examination. The following people will normally be considered to have a connection:

- the charity trustees or anyone else who is closely involved in the administration of the charity
- a major donor or major beneficiary of the charity
- a close relative, spouse, partner, business partner or employee of any of the people mentioned above.

The independent examiner need not be an accountant. If you are having trouble finding someone to sign off your accounts, please speak to your commissioner in the first instance. The independent examiner should NOT be your local commissioner if she is linked at all with your unit (i.e. she is a leader within it, related to one of the leaders, is a bank signatory, or the registered contact for OSCR).
