COMRIE DEVELOPMENT TRUST

CHAIRPERSON'S REPORT

FOR THE YEAR ENDED 31 MARCH 2025

The Annual Report covers the year between April 2024 and March 2025.

CDT continues to work towards our objective of involving local people and groups in the sustainable development of Comrie and surrounding area for the benefit of our community, based around the 4 themes of community, economy, environment and heritage. Over the past year, our main achievements included:

- Strengthening the trust's overall financial position
- Expanding the number of commercial tenants on site
- Increasing the number of charity and community organisations housed on site
- Supporting the ongoing success of the community woodland and community orchard
- Re-opening the museum through the dedicated efforts of the Comrie Heritage Group Volunteers
- Hosting a range of community and specialist events throughout the year

The self-catering units continue to grow in popularity and we hope to license more units in the near future. The huts were featured in the Channel 4 television show 'Four in a Bed'.

Throughout the year we hosted a variety of events including the Strathearn Marathon in June, two vintage motorcycle events and Apple Day in October.

To support our charitable objectives we continued to provide a number of the units to local charities and community groups. These include e.g. Comrie Cancer Shop, Comrie Men's Shed, Comrie Fortnight, Comrie Christmas Lights, Comrie Cubs & Scouts, The Duke of Edinburgh Award PKC, and a veterans hub who provide community services to many in our community. We remain committed to supporting these community groups to ensure the camp can benefit as many of the community as possible.

CDT would like to thank our funders who support our community work. We are grateful to the Gannochy Trust for their grant to support staff costs, to DTAS for their continued support in restructuring and strategic planning, to the Heritage Lottery Fund for their support of the Community Woodland Group and their work on the Hillground. We also received grants from the Architectural Heritage Fund (AHF), DTAS Greenshoots, Perth and Kinross Council to carry out heritage assessments on site. The Heinrich Steinmeyer Fund provided a grant to upgrade the museum infrastructure and the Scottish Community Alliance Learning Exchange fund was provided for community groups to learn from the experience of other Scottish communities about benefits from renewable energy projects.

The contribution that volunteers make to the CDT working groups is highly significant and their hard work and enthusiasm ensures that the Camp, Museum, Orchard and Hillground can be maintained and enjoyed by the local community.

The Board would like to thank the CDT staff, volunteers and members of CDT for supporting Comrie Development Trust over this last year.

COMRIE DEVELOPMENT TRUST

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2025

The trustees present their annual report and financial statements for the year ended 31 March 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the trust's Memorandum and Articles of Association, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Vision

The guiding vision of the Comrie Development Trust is the long-term well-being of the community of Comrie.

Aims and Objectives

The principal activity of the Trust is to involve local people and groups in the sustainable development of Comrie and surrounding area for the benefit of our community.

The Trust is guided by the following aims and objectives, developed through consultation with the community:

Aims

Our aim is to promote the sustainable development of our village for the benefit of local people, groups and businesses. To achieve this, the Trust aims to assist the community in four areas:

Community: To deliver wide-ranging community benefits to improve quality of life for all.

Economy: To generate local economic activity, create jobs and achieve long-term financial sustainability.

Environment: To reduce environmental impact and develop the ability to adapt to climate change.

Heritage: To conserve, enhance and promote its heritage assets in ways which supports its other aims.

Objectives

Our Purposes are set out in detail in the Trust's Memorandum and Articles of Association. These translate into the following key objectives:

- Work closely with local people, groups and businesses;
- Capture and build community passion, enthusiasm, ideas and skills;
- Promote quality in everything we do;
- Keep our £ local;
- Ensure every aspect of our work is financially and environmentally sustainable;
- Keep our eye on the future while learning from the past.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Activities and Achievements

CDT Working Groups

Board members and a large number of other people are volunteers of the various CDT Working Groups, including the Estate Management Group, Comrie Heritage Group, Orchard Group Community Land Group and Woodlands Group. Reports of the activities of these groups during 2024/25 appear below. Working Group members have committed a considerable amount of their time to work in the groups and for the Trust over the period.

Cultybraggan Estate Management

A range of volunteers assisted with the upkeep and maintenance of Cultybraggan Camp including cleaning, painting and repairs to the buildings and the different areas of the camp. We would like to thank the volunteers who have worked hard in all weathers to maintain the camp in so many different ways.

Infrastructure: These elements of the camp include sewage, electricity, water, broadband, biomass and district heating system, and street lighting and roads. The Estate Management Group ensure all these elements are kept in an operational state and plans for future developments are overseen through this group.

Core Path: There has been slow progress on providing access to the core path from the village to the camp. Perth and Kinross Council Greenspace team are managing this activity with CDT providing support when requested. CDT are working with Comrie Community Council to try and make progress with accessing the path.

Grass Cutting: CDT Volunteers continue to do a great job of keeping the grassy areas on the camp tidy with regular grass cutting.

Comrie Heritage Group Activities

Comrie Heritage Group worked to reopen the museum in April 2024 and their volunteers provided tours, museum visitors and school visits. The upgraded museum displays in the former Jailhouse and in the accommodation block continue to provide interpretation on the unique heritage of the camp for visitors and the local community.

Comrie Heritage Group also carried out research into the history of Cultybraggan Camp and the wider Comrie area. They assisted with cataloguing and archiving of museum artifacts, answering queries from the researchers, the public and family members of previous inmates of the POW camp. The heritage group held an exhibition of the wider heritage of Comrie through an exhibition in the White Church in summer 2024. Comrie Development Trust would like to thank all of the committee and volunteers for their efforts to reopen and run the museum entirely on a voluntary basis this year.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

CDT Community Woodland Group

Woodland activities over the period April 24 - March 25 have included.

Monthly woodland days

Tasks on woodland work days have included tree care (weeding, bracken clearing, planting), construction of bridges over the lade, path creation and scything, work on ponds, putting up nest boxes, fence maintenance and tasks specifically with children in mind. There have been other tasks which have been smaller in scale / time consumption.

Additional tasks - There were work days, devoted to path scything, bracken control, construction tasks, biodiversity surveys, seed collection and tree nursery work, and "woodland wanders" encouraging wider community access and use of the community woodland.

Planning, meetings - There were approximately 120 hours of volunteer time for steering group meetings and planning.

We now have over 60 people who have expressed an interest in supporting the woodland, many of whom have attended occasional work days. Comrie Development Trust would like to thank the committee and the volunteers of the woodland group for all their work to develop and promote the community woodland.

Comrie Community Orchard

The Orchard Working Group has built to be a strong group of volunteers. Volunteers regularly meet at the Orchard on the first Sunday of each month throughout the year to carry out a range of management & maintenance tasks. New volunteers are always welcome. The Comrie Community Orchard also hosts the local Outdoor Playgroup who meet regularly throughout the year.

12-14 volunteers regularly turn up on workdays with smaller groups often meeting between the main workdays amounting to in excess of 600 hours of volunteer time over the year.

Our annual Apple Day was held again on the 3rd of November 2024. This is now an established date in the calendar. Preparation started with apple harvesting a couple of weeks before the event. Preparations began on the Friday and juicing continued with sales to the public on Sunday afternoon. As well as apple juice there were numerous stalls with apples, chutneys and fruit leathers and events throughout the day including apple tasting and information sessions. A group from Maryhill Integration Network in Glasgow also attended this year. The event was held in the old firing range thanks to the generosity of Jim Thomson.

The Orchard Working Group were again able to fulfil core aims and objectives of Comrie Development Trust, including promoting quality in everything that we do, ensuring that the Orchard is financially and environmentally sustainable, keeping the pound local and working closely with local people, groups and businesses. Capture and build community passion, enthusiasm, ideas and skills. Comrie Development Trust would like to thank all of the committee and volunteers including Di McNab for her many years of voluntary service to the Comrie Community Orchard.

COMRIE DEVELOPMENT TRUST

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Financial review

Financial management

The Treasurer and Finance Officer have maintained the financial and statutory records during the year and have prepared reports to the Trustees, Members and funding organisations.

Policy on reserves

The Trust is not yet in a position to hold reserves. Financial projections for the future include estimates of the amounts needed for the long-term maintenance and repair of Cultybraggan Camp infrastructure. Estimates of the finance required for planned developments are included in projections, as they become available. As the Trust's developments come to fruition, and the current assets of the Trust increase, the Trustees will implement a suitable Financial Reserves Policy.

Financial review

The Trust's overall financial position at the end of the reporting year showed an increase in its net asset position from £984,542 at 31 March 2024 to £1,058,623 at 31 March 2025.

Restricted funds

Restricted funds are income awarded to individual projects and subject to specific conditions by the grantors or donors, as to how the funds may be used. The purposes and uses of the restricted funds are set out in note 23 to the accounts. The deficit on restricted funds for the year was £17,225. This took the restricted funds balance down from £839,577 at 31 March 2024 to £822,352 at 31 March 2025.

Unrestricted funds

Unrestricted funds are those funds which are expended at the discretion of the Trustees in furtherance of the Charity's objectives. The surplus on unrestricted funds for the year was £91,306. This moved the unrestricted funds balance from £144,965 at 31 March 2024 to a balance of £236,271 at 31 March 2025.

Asset disposals

Land at units 13-16 at Cultybraggan Camp was sold during the year.

Loans

Meeting the Trust's capital repayment commitments remains a priority and Triodos Bank, Energy Saving Trust and Social Investment Scotland continue to be positively engaged as key partners in the Trust's development.

Funding

As noted earlier in the report the Trust has continued with its financial and community asset development programme. The Chair and Trustees reports show the wide range of activities undertaken across the Trust over the year. This has been made possible through the support of the funding partners investing in and supporting the Trust over the year through grants and loans:

- Gannochy Trust;
- Scottish Government Rural Payments;
- Architectural Heritage Fund;
- Heinrich Steinmeyer;
- Cultybraggan Heritage Self Catering Limited;
- Energy Saving Trust;
- Triodos Bank;

The Trust regularly updated its funding partners during the year and funders remain supportive of the Vision of the Trust and are understanding of the challenges the Trust faces in achieving its ambitious aims. During the year the Development Trusts Association Scotland provided significant support in discussions with funders.

The Trust expects to continue to require grant funding, both for revenue costs and capital developments, until its income generation development plans have been fully implemented.

PLANS FOR THE FUTURE

The priorities for the 2025/26 year are:

Estate Management

- Enhanced oversight and regularisation of commercial leases

Visitor Attraction and Events

- Events are in abeyance while consolidating self-catering offering

Heritage Group

- Continue with cataloguing historical archives
- Carrying out historical research

Orchard Group

- Hold events at the Orchard in October 2025
- Maintenance of the Orchard

Woodland Group

- Maintenance and additional planting, path and pond creation, installing benches, weekly public 'woodland wanders'

Funding & Operations

- Pursue funding for refurbishment of former Officers' Mess

Community Land Use

- In abeyance owing to current lack of capacity

Structure, governance and management

CDT Members

There were 566 members of the charity at the 31st March 2025, with 433 of those being full members as they live within the area that the Trust serves. There are also 133 associate members who do not live in the area but want to support the aims of the Trust.

CDT members were active in Trust activities, primarily at Cultybraggan Camp, such as working in the Community Orchard, guiding heritage tours, developing the hill ground, assisting at events, or maintaining the camp. Some Trust members also contributed through membership of the CDT Board and as CDT Working Group members.

The work of volunteers is fundamental to all the Trust's activities. Efforts continued to recruit additional members of the board and working groups.

Governance

The Comrie Development Trust (CDT) is a company limited by guarantee. It was founded by members of the community of Comrie following the establishment of the Comrie Development Group and a year of development work in the village. It is recognised by OSCR as a Scottish Charity.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Chris Palmer	(Resigned 5 September 2024)
David Robertson	
William Levack	(Resigned 9 April 2024)
Lindsay Brown	
Jeremy Spurway (Vice Chair to April 25)	
Suzanne Bond	(Resigned 6 June 2024)
Fiona Blacke (Chair from April 25)	(Appointed 26 September 2024)
Miles Key	
Andrea Loudon (Vice Chair from April 25)	(Appointed 25 June 2024)
Kenneth Norton (Treasurer)	
Mark Temple (Chair to April 25)	
Adrienne Clark	(Appointed 27 March 2025)

The CDT Board comprises a maximum of 15 Directors, of whom no more than 12 may be elected Directors and no more than 3 may be co-Directors. During the year we had 12 Directors and currently there are 9 Directors. Seven days before the date of the annual general meeting any full member may lodge a written notice requesting consideration for election as a Director. At each annual general meeting, one third of the elected Directors and any co-opted Director who was appointed during the year shall retire from office.

The Board of Directors (the Trustees) is the main executive committee of the Company and is responsible for governance and decisions regarding strategic direction. They meet regularly (a minimum of four times per annum). Trustees approve policies, and these are continually being developed as the company grows and increases its responsibilities. Working groups have been established to progress specific work and they each report back to the Board.

The Trust's Board met monthly throughout the year. Board members carry out CDT activities on an entirely voluntary basis, and this involved substantial work over the year.

COMRIE DEVELOPMENT TRUST

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) *FOR THE YEAR ENDED 31 MARCH 2025*

Induction and Standards

The Trust has a Trustees' Code of Corporate Governance in place. New Trustees are required to complete and sign a Charity Trustees' Declaration and Personal Interests Declaration, which is updated annually. New Trustees are given induction on the governance policies and procedures adopted by the Board of the Trust.

The Trustees have agreed to adhere to a Code of Corporate Governance, including the retention of a Register of Interest that is held at the Company's Registered Office and reviewed annually.

The trustees' report was approved by the Board of Trustees.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF COMRIE DEVELOPMENT TRUST

I report on the financial statements of the trust for the year ended 31 March 2025, which are set out on pages 11 to 27.

Respective responsibilities of trustees and examiner

The charity trustees (who are also the directors of Comrie Development Trust for the purposes of company law) are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The trust trustees consider that the audit requirement of Regulation 10(1)(a)-(c) of the Charities Accounts (Scotland) Regulations 2006 does not apply.

It is my responsibility to examine the financial statements as required under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with Section 44(1)(a) of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 4 of the Charities Accounts (Scotland) Regulations 2006, and
- to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the Charities Accounts (Scotland) Regulations 2006

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

BALANCE SHEET (CONTINUED)

AS AT 31 MARCH 2025

The company is entitled to the exemption from the audit requirement contained in section 477 of the Companies Act 2006, for the year ended 31 March 2025.

The trustees acknowledge their responsibilities for ensuring that the charity keeps accounting records which comply with section 386 of the Act and for preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its incoming resources and application of resources, including its income and expenditure, for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements were approved by the trustees on 26 February 2026

COMRIE DEVELOPMENT TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

Charity information

Comrie Development Trust is a private company limited by guarantee incorporated in Scotland. The registered office is Hut 3 & 4, Cultybraggan Camp, COMRIE, PH6 2AB.

1.1 Accounting convention

The financial statements have been prepared in accordance with the trust's governing document, the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The trust is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

The nature of the Trust's activities is such that there can be considerable unpredictable variation in the timing of cash inflows. The Trustees have prepared projected cash flow information for the period ending three years from the end of these accounts. On the basis of this cash flow information and discussions with potential funders, donors, and the Trust's current lenders, the Trustees consider that the Trust will continue to operate within these planned cash flows.

At the time of approving the financial statements, the trustees consider that there are no material uncertainties around the Trust's ability to continue as a going concern. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The purpose of each fund is shown in note 23.

1.4 Income

Total incoming resources credited to restricted and unrestricted funds are disclosed in the Statement of Financial Activities in the year in which the charity became entitled to them and where (i) the Trustees are virtually certain that they will be received and (ii) their monetary value can be measured with sufficient reliability.

Income receivable for a specific restricted purpose is credited to a restricted fund shown in notes 3, 4 and 23.

Cash donations are recognised on receipt. Other grants donations are recognised once the trust has been notified of them, unless performance conditions require deferral of the amount.

Legacies are recognised on receipt or otherwise if the trust has been notified of an impending distribution, the amount is known, and receipt is expected.

Government and other grants towards revenue expenditure are credited to revenue in the period to which they relate.

COMRIE DEVELOPMENT TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

(Continued)

Income from tenants for rental and utilities charges is recognised as it becomes due for the period of their occupancy.

1.5 Expenditure

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the Trust to the expenditure. All expenditure is accounted for on an accrual basis and has been classified under headings which aggregate all costs to a particular category.

The costs of charitable activities include the costs incurred by the working groups and funds which make up the Trust's activities.

Governance costs comprise all costs involving the public accountability of the Trust and its compliance with regulation and good practice.

Resources expended are allocated to the particular activities to which they relate. A proportion of the staff and expenses are included in governance costs based on the estimated time spent by the employees on that activity.

1.6 Tangible fixed assets

Land and buildings are stated at the revalued amounts less any depreciation or impairment losses subsequently accumulated (revaluation model). Previously they were carried under the cost model.

Revaluations are carried out regularly so that the carrying amounts approximate the fair value at the reporting date. An increase in value is credited to the revaluation reserve except to the extent that it reverses a previous revaluation decrease related to the same property that was recognised in profit or loss. Similarly, revaluation decreases are recognised in the revaluation reserves to the extent that they equal gains previously recognised in respect of the same asset. Thereafter any excess is recognised as an expense in profit or loss.

Other tangible fixed assets are initially measured at cost and subsequently measured at cost net of depreciation and any impairment losses. Assets donated to the Trust are not included in the balance sheet; other assets are included at cost. Items of fixtures, fittings and equipment which exceed a purchase price of £500 and are not replacements, are treated as capital expenditure. Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases: Depreciation of the biomass boiler has been set at twenty years, utility connections ten years, CCTV five years, the Orchard Hut twenty years, the Sports Portacabin 10 years, Heritage Visitor Attraction three years, and the solar pv 25 years.

The Trust is part way through implementing a development plan, which in turn will increase the fixed asset value for commercial lending purposes, therefore the policy that land and buildings are maintained such that the residual value taken as a whole is at least equal to its book value is maintained. Having regard to this, it is the opinion of the Trustees that depreciation of property as required by the accounting standards would not be material. No depreciation of land and buildings is charged.

Website costs are not capitalised.

Cultybraggan Camp was valued as a whole at the time of purchase by the Trust. In the absence of original individual buildings valuations, the Trustees assign a pro-rata original purchase value based on the area of buildings in any asset disposal.

Any additions, which subsequently form part of any asset disposal, are accounted for on a pro-rata basis at cost.

The Trustees identify gains and losses as the disposal price realised net of original value, additions included in the disposal and sale costs.

COMRIE DEVELOPMENT TRUST

(Continued)

Expenditure on capital projects that are discontinued, or subject to considerable uncertainty, is not capitalised and is included in revenue expenditure.

1.7 Investment properties

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in profit or loss.

Investment properties are included in the balance sheet at their open market value. No depreciation is charged on these properties in accordance with section 16 of FRS102.

1.8 Stocks

Book stock is valued at the lower of cost and net realisable value. There are no other stocks.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The trust has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the trust's balance sheet when the trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1 Accounting policies

(Continued)

1.11 Taxation

Comrie Development Trust is a registered and recognised Charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities.

The Trust is registered for Value Added Tax. Expenditure in the accounts excludes VAT where applicable. There is an option to tax over the land and buildings at Cultybraggan Camp.

1.12 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the trust is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.13 Retirement benefits

The charity contributes 8% of gross salary into a NEST defined contribution pension scheme for each employee with more than 3 months service.

1.14 Volunteer help

The value of any voluntary help received is not included in the accounts.

2 Critical accounting estimates and judgements

In the application of the trust's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
