TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2024

The Trustees present their annual report and financial statements for the year ended 31 December 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)".

Objectives and activities

The objectives of the church are to advance Christianity in Scotland and elsewhere by any means or medium that is or may become available in accordance and in furtherance thereof but not otherwise:-

- To relieve poverty and those who are in need because of sickness or age or some other reason;
- To advance education both general and vocational for children or adults but always within the principles of the Christian faith;
- To promote such other similar charitable objects as the Trustees shall from time to time consider appropriate.

Achievements and performance

Significant highlights, events and developments of note in the year include the following: -

In relation to **activities**:

- During 2024 the church has continued to meet every Sunday and regularly through the week, with in excess of 130 attendees (inc. children) at the Friary. Geographic Community Hubs meet in person twice monthly (officially). Our usual rolling programme of Small Groups run on a termly basis, offering a wide range of activities, many of which are open to members of the community, have been well attended this year.
- Major preaching series in 2024 included a series on the book of Romans and a series titled "Together on a Mission" encouraging the church to be outward looking. We also had a number of preaches on one-off topics
- The volume of use of the building remained steady, although part of the facility remained closed due to the central heating breaking down beyond repair.
- Staffing numbers reduced as a fixed term role to oversee the building work was not extended and the CAP centre was closed, with the manager's post being lost.
- We continued to partner with other faith and statutory organisations as part of the Dundee Community Food Network.
- The community larder and café for the local community continued to grow and served members of the local community. We partnered with the Pensioners Forum to host their "West End Blethers" group within the café. 30-40 pensioners come each week. We also partnered with the Dundee Carers Centre to host their local carers network and developed relationships with several university of third age groups.
- We continued fundraising for and are nearing the start of phase 2 of the building upgrade. This work will improve the fire safety of the site and public facilities.
- Solar panels were installed on the Friary building capable of producing 37.8 kW along with battery storage.
- We supported new community groups, to help the local community recover from some of the effects of the pandemic, such as social isolation.

CITY CHURCH DUNDEE

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

- We have maintained support for existing local groups, including Alcoholics Anonymous, Narcotics Anonymous, Police Scotland Youth Volunteers, and various exercise classes for all ages.
- The church has continued to work collaboratively with other Newfrontiers churches across the UK. City Church Dundee leaders and members have also attended various conferences and events at Kings Arms church in Bedford.
- We have continued to support Barnabas Christian Bookshop, a local independent christian bookshop, through hosting them within the friary
- We also partnered with Scripture Union Scotland (SU) to host the regional office for 2 of the SU staff.
- Recovery at the Friary, a partnership project between City Church, The Reconnection Project, and Crossreach, has continued to meet at the Friary site. It is focussed on supporting those wanting to recover from addictions through a programme of training in practical skills such as gardening and DIY, offering art and craft opportunities in an environment of mutual support. It runs 2 days/week from 10am-4pm and is receiving referrals from statutory bodies as well as by word of mouth. It is well supported by a team of volunteers with helpful and supportive skillsets.
- We supported international ministry through cooperation with the Catalyst Network of churches and by direct support for Pete and Jo West in Maseru, Lesotho.
- In partnership with the RSPB we are planning developments of an urban nature sanctuary in the grounds of the Friary

In relation to **funding**:

- Continued participation by church members in giving to the church and participating in the Gift Aid Scheme to maximise their giving impact.
- Income from the letting of the church hall has continued and has re-covered to pre-COVID levels.
- Significant income was received from external grant-awarding bodies.
- Office space within the building continues to be leased to a variety of people and groups, in some cases for rent, and some offering payment in kind.

Financial review

Results for the year

Per the Statement of Financial Activities, the church reported Net Income (i.e. a Surplus) for the year of £52,961 (2023 Deficit £23,638) and total funds of £245,186 at 31 December 2024 (2023 £192,225).

Reserves policy

It is the policy of the church to maintain unrestricted funds, i.e. funds not committed or invested in fixed assets, at a level equal to approximately three months of unrestricted expenditure and thereby maintain the church's ongoing work. Based on total expenditure of £78,706 within the General Fund for the year ended 31 December 2024, the policy would require the church to have closing reserves at 31 December 2024 of approximately £19,676. This allows sufficient funds to maintain the ongoing work of the church.

The Unrestricted Funds of the charity total £197,693. Of this £78,931 is tied up on designated assets (£445,924) and the associated mortgage liability (£366,993). This results in a remaining free reserves of £118,762 which is above the required level.

Principal funding sources

The church receives the majority of funding from church members and attendees by way of weekly offerings and Gift Aid donations.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF CITY CHURCH DUNDEE

I report on the financial statements of the charity for the year ended 31 December 2024, which are set out on pages 5 to 23.

Respective responsibilities of Trustees and examiner

The charity's Trustees are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity Trustees consider that the audit requirement of Regulation 10(1)(a)-(c) of the Charities Accounts (Scotland) Regulations 2006 does not apply.

It is my responsibility to examine the financial statements as required under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1)(a) of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 4 of the Charities Accounts (Scotland) Regulations 2006, and
 - to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the Charities Accounts (Scotland) Regulations 2006have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

CITY CHURCH DUNDEE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

Charity information

City Church Dundee is a registered Scottish Charity (No. SC038936). The church's office address is The Friary, 8-2 Tullideph Road, Dundee, DD2 2PN.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a statement of cash flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Land and buildings	2% straight line
Building improvements	3.333% straight line
Fixtures and fittings	20% straight line
Computers	25% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

CITY CHURCH DUNDEE

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

(Continued)

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
