Activities

Activities: 'It makes grants, donations, loans, gifts or pensions to individuals','It makes grants, donations or gifts to organisations','It carries out activities or services itself'

Purposes: 'the advancement of education','the advancement of citizenship or community development','the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended','the advancement of environmental protection or improvement'

What the charity does: Valley Renewables Group negotiates and receives Community Benefit Funds from local wind farm operator and distributes these funds to the resident community through a wide range of grants, community events and wood fuel, and the provision of community facilities - our woodland and Community Hall

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The company has been formed to benefit the community of Carron Valley which comprises the community council area of Carron Valley and District Community Council (the 'Community') with the following objects: (a) To advance environmental protection particularly within the Community by promoting the adoption of measures to encourage the more efficient use of the world's resources, and in particular more efficient use of non-renewable energy sources so as (i) to minimise the proliferation of mines, wells and other extraction facilities which degrade the natural environment and (ii) to reduce greenhouse gas emissions and thus avoid the damage to the natural environment caused by global warming. (b) To advance citizenship and/or community development particularly within the Community (including the promotion of civic responsibility and the promotion of the voluntary sector and/or the effectiveness or efficiency of charities). (c) To advance education particularly within the Community in the fields of renewable energy, energy

conservation and similar areas. (d) To encourage, stimulate and support volunteering particularly within the Community. (e) To provide recreational facilities particularly within the Community, and organise recreational activities within the Community, with such facilities/activities being available to members of the public at large with the object of improving their conditions of life. (f) To promote, establish, operate and/or support other similar schemes and projects which further charitable purposes particularly within the Community. But only to the extent that the above purposes are consistent with furthering the achievement of sustainable development.
