Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of the arts, heritage, culture or science', 'the advancement of environmental protection or improvement'

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: To promote, foster and develop the general advancement of the science of chemical engineering in all its branches as an end in itself and as a means of furthering the scientific and economic development and application of manufacturing processes in which chemical and physical changes of materials are involved and to promote, assist, finance and support such research, investigation and experimental work in chemical engineering as the Institution may consider likely to conduce to those ends and to the benefit of the community at large.

Geography

- **Main operating location:** Outwith Scotland
- **Geographical spread:** UK and overseas
