Activities

Purposes: 'the prevention or relief of poverty', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: We aim to support those in need in Ukraine, particularly children and families affected by poverty and war. We primarily do this through provision of financial support to trusted in-country partners, well known to us personally, who provide practical and spiritual support and encouragement to individuals and families through fostering type work and church / charity run humanitarian work. We also make occasional visits to provide in-person support and encouragement and continually develop existing or newly emerging partnerships, as well as facilitating connection between Ukrainian partners to encourage networking and collaboration for maximised impact.

Beneficiaries: 'Children or young people'

Objectives: 4 The organisation's purposes are: (a) To help provide long term support to the people of Ukraine, including but not limited to children and those affected by or at risk of being affected by poverty or family breakdown, helping to meet their spiritual, physical, relational and social needs.
