Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: very little has been carried out in the last year as all the residents of Abbeyfield Turriff were relocated and the property is now empty. We are looking to close the charity but had been in touch with Abbeyfield and awaited updates from them as to whether the closure was permanent. On the basis we have heard nothing for over a year we will look to wind up the charity.

Beneficiaries: 'Older People'

Objectives: The trust objects are the provision of benefits, comforts and general extra assistance for the well being of the residents of Abbeyfield House, Turriff as may be considered appropriate in the unfettered and uncontrolled discretion of the Trustees from time to time by the provision of financial and other charitable assistance and support for the benefit to the public.
