Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of citizenship or community development'

What the charity does: Our charity is set up to support the personal development of children and young people in our community through Scouting. We aim to help them learn skills for life, grow in confidence, and become responsible citizens. We do this by providing a programme of fun, challenging, and adventurous activities, including weekly meetings, camps, outdoor experiences, and opportunities to develop leadership and teamwork. All activities are run by trained volunteers who give their time to support young people in a safe, inclusive, and welcoming environment. Through Scouting, our members learn practical skills, build friendships, contribute to their community, and gain experiences that help prepare them for the future.

Beneficiaries: 'Children or young people'

Objectives: Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.
