## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of citizenship or community development', 'the advancement of the arts, heritage, culture or science', 'the promotion of religious or racial harmony', 'the promotion of equality and diversity'

**What the charity does:** Afreshe promotes Heritage to nurture the esteem of children, young people and adults towards authentic contributions to society through active participation in our local communities.

**Beneficiaries:** 'Children or young people', 'People with a particular ethnic or racial origin', 'No specific group, or for the benefit of the community'

**Objectives:** The main object of the Company is to encourage young people, particularly those in the ethnic minority communities of African descent to partake of balanced integration in the UK by reconnecting with the beneficial aspects of their varied heritage while recognising those of other communities. The Company, through the theme of its name that combines African identity with an embrace of fresh opportunities for communal participation and progression, aims to achieve the following objectives: 3.1 To support young people in the UK within the ethnic minorities of African origin, overcome common identity dilemmas and build their self esteem in the process of social integration into life in the UK, by providing them with opportunities to appreciate, embrace and cherish their heritage in contemporary society. 3.2 To bridge the communication gap between the distinct generations of Vernacular-speaking African parents and their school-going children in the UK, by providing simple themes through language clubs, various aids and activities, for fulfilling interactive family experiences. 3.3 To promote mutual love and respect within families, immediate

communities and the wider society. 3.4 To promote unity in diversity through inter-cultural events and activities. 3.5 To develop and nurture the values of peace, harmonious co-existence and work ethics. and deliver a sense of genuine solidarity among individuals and communities of varying ethnic backgrounds. 3.6 To elevate the productive participation of different generations of the ethnic minority communities of African descent in their own and the younger generations' balanced social integration in the UK, through voluntary services and other activities. 3.7 To foster existing skills and encourage innovation for career opportunities that drive the resourceful involvement of individuals in the various sectors of different industries in the UK economy and other world economies. 3.8 To embrace and complement the UK Governmen
