Achievements and Performance
Summary of the main achievements of the charity during the financial period:

Monthly food Drop to "Railway-Children' Families
Vision Romania have provided funds via the 2 six monthly disbursements, to Sunshine in the Villages, (as funds allow) to continue monthly food-drops into the small, 'shack-dwelling' community of families located in the edge of Hunedoara. A strong relationship has been established with the families and some of the children of the families have attended a respite camp at Casa Harului and a Good News Club continues in the community of families.

Work with Children of the Orphanage
Vision Romania have provided funds, within the 2 six-monthly disbursements, to continue work with the Orphanage in Hunedoara. Time is spent by partners visiting the orphanage and providing crafts and activities for the children and help with some practical help with small maintenance jobs.

Activities in the Villages
The children in the rural villages on the outskirts of Hunedoara, enjoyed weekly activities in village church buildings with the Sunshine in the Villages Team sponsored by the 2 six-monthly disbursements from Vision Romania to support the Sunshine Team for petrol expenses and for the purchase of crafts and games for use in the Good News Clubs.

Respite Camps 2025
Vision Romania provided £3000 in June 2025 to Sunshine in the Villages as one of the 6-monthly disbursements of funds and then £4000 in December 2025. After deductions for Christmas Gifts and Autism Mea, the May disbursement and the remainder of the December disbursement would be the 6 monthly donation to the Sunshine Team. These donations were to be used as sponsorship for an 'in-person' camps at Casa Harului and to help with the work related to the Villages' Good News Clubs, Food Drops to the Railway Families and work with the Orphanage. A respite camp was organised in July 2025 for around 60 young people, facilitated by Vision Romania's partners, 'Sunshine in the Villages'. A separate donation on £419 was sent directly to Cassa Harului in June 2025 which was a sum donated via Vision Romania for that specific purpose.

Shoebox Appeal 2025
Vision Romania's shoebox appeal continued in the form began when charity asks for monetary donations that were then sent to The Sunshine in the Villages team so that they could make up gift packages locally. £1945 (of the £4000 December donation was brought in via the Shoebox appeal .. recorded in emails from Jim Leiper and Kevin Johnston, (VR Secretary), of 2 Dec 2025 to Trustees) was sent for this purpose and gifts were distributed to Autism Mea, Paclisa, Railway families, the Orphanage and various villages around Hunedoara.
Over 300 Gift Bags that were made up an distributed to the children. Photos recording the distribution of the gifts were sent by our partners in Romania and it was nice to see the children receiving their Christmas gifts.

Autism Mea
Vision Romania agreed a £200 donation (from the £4000 December donation – recorded in email to the VR Trustees on 2nd Dec.), was provided to Autism Mea's Chairperson, Dana Truta (via Danut Hritac), to provide Christmas Gifts and activities for the Children attending the Autism Mea Centre in Hunedoara at Christmas time. Dana Truta provided some photos of the children with various disabilities receiving their Christmas Gifts.

Trustee Refresher Training
In order to update and refresh Trustee training and awareness, one of our Trustees attended an online Webinar in June 2025 on the 'Duties of a Trustee'. The link to the webinar recording and a copy of the presentation slide deck, together with links to further guidance was circulated to the Trustees with the recommendation to undertake a refresher at their personal convenience.

Funding
The charity has attracted regular donations from people that are faithful in their regular monthly provision. Of note, a single donation of £675 was provided by Viewfield Baptist Church in March 2026, following an application by VR Trustees. In addition others will donate to the work of the Charity to support the various initiatives. For the period ending 31st march 2026 donations to Vision Romania via the Charity's Just Giving site was £3418. Donation income in total was £7824; the difference being received directly into the Charity bank account.

Future Plans and Commitments
The aims and objectives (above) of the Charity remain consistent from year to year and the Trustees are determined to continue to work to alleviate the challenges presented by poverty and/or disability in Romania and to advance Christianity by showing compassion and love to those in need.
Vision Romania continue to receive regular updates from Danut Hritac with photos of events and activities in Romania, recording underprivileged children attending Good News meetings and the Summer Camp. Several of the Vision Romania Trustees are resident in Romania and engaged in various Church activities with young people. In addition, within this past year, news was received from Romania about one young person (Ianut) who was baptised as a mark of his faith in Jesus. His testimony, at the time of his baptism, noted the change in his life that had begun at the age of 14 after attending one of the Vision Romania's Summer Camps at Casa Harului. His message was that he had been a troubled youngster but had been strongly influenced by the relationships with the Camp Leaders, (from Vision Romania and Sunshine in the Villages) and this experience had changed the direction of his life. He is now happily married and his wife has recently given bith to their first child, a beautiful daughter. The Trustees of Vision Romania are priviledged to have had such a positive influence on the life of this young man and of many others that attended and continue to attend the Summer Camps that are actively supported by Vision Romania.
We anticipate another Christmas (2026) appeal for Christmas Gifts for the Children in the Villages, the Orphanage and Autism Mea, which relates to our 'routine' programme.

Financial Review
Brief statement of the charity's policy on reserves: The Charity intends, if possible considering the growing financial challenges, to retain a working balance to enable one Romanian respite camp per year. Otherwise, there is no reserve and full financial details are given in the statement of the Charity's accounts, which were audited by Mr D. Henderson.

Details of any Surplus/Deficit: Vision Romania had a **deficit** of £117 for this financial year.

The trustees declare that they have approved the trustees' report above.
