Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of citizenship or community development', 'the advancement of the arts, heritage, culture or science'

Beneficiaries: 'Children or young people', 'No specific group, or for the benefit of the community'

Objectives: * To provide a range of training, development, volunteering and vocational opportunities for local people, promoting active volunteering and maximising the participation opportunities for marginalised and disadvantaged people * To encourage and advance active citizenship in all sections of the community through the making and presenting of radio programmes focused on local issues and concerns * To provide an outlet for local talent and expression across a range of artistic disciplines and to promote local undiscovered artists * To advance education by providing training for volunteers of all ages, with a particular emphasis on developing the skills, talents and confidence of local young people through links with local schools * To provide a stimulating programming output with a view to raising awareness about local and national heritage issues and to establishing a forum for discussion on these issues * To promote cultural diversity and community cohesion by providing a right of access to minority and marginalised groups, thereby reflecting the interests and opinions contained within our local communities

Geography

- **Main operating location:** East Renfrewshire
- **Geographical spread:** Wider, but within one local authority area
