Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: The charity was established to connect families across Europe affected by chromosome 18 conditions, primarily through biannual family conferences, to share knowledge and experiences with the aim of helping children and adults with chromosome 18 disorders realise their full potential and promoting their integration within the community.

Beneficiaries: 'People with disabilities or health problems'

Objectives: 2. The association's objects are: a) To help children and adults with Chromosome 18 disorders realise their full potential b) To promote the normalisation and integration of people affected by Chromosome 18 disorders within the community

Geography

- **Main operating location:** Glasgow City
- **Geographical spread:** UK and overseas
