Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education'

What the charity does: We provide childcare and education to children from 18 months to 5 years. We provide a safe secure and stimulating environment indoors and outdoors for all, where children are listened to and know who to go to if they need support. We strive to make sure there are equal opportunities for all and children are included and valued. We prepare children for their future through endless opportunities and encourage them to meet their full potential. Children will experience exciting, active learning where their independence is promoted and where they are encouraged to make choices and take responsibility for their own learning. Our ethos is happy and positive where children feel protected and confident and healthy lifestyles are promoted.

Beneficiaries: 'Children or young people'

Objectives: The aim of the group is to advance the education and social development of pre-school children with the emphasis on the play experience so that they take a constructive place in the community and also to advance the education of their parents and other appropriate persons.
