Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: We are a community transport provider based in Pollok in Glasgow. We provide safe, affordable and wheelchair-accessible Minibus Hire to third sector organisations across Glasgow and the surrounding areas. Our registered groups include specialist schools, parent and toddler groups, youth groups, elderly groups, and charities supporting those with physical/mental health challenges, disabilities or are fighting addiction. We help these groups visit a wide range of locations and for different purposes. Journeys can range from the daily commute to school for young people with special needs, taking adults with diagnosed mental health issues to fitness classes and art classes, and taking elderly groups to dancing classes, day trips and activity sessions. We also operate a Patient Transport Service which allows hundreds of individuals, with no access to a car and unable to use public transport (but not eligible for NHS ambulance support) to reach their vital healthcare appointments safe

Beneficiaries: 'Older People', 'People with disabilities or health problems', 'No specific group, or for the benefit of the community', 'Other charities or voluntary bodies'

Objectives: To relieve those in need by reason of age, ill-health, disability, financial hardship or other disadvantage among residents of South West Glasgow and environs, particularly those most disadvantaged.
