Objectives and activities

Charitable purposes	<p>The purpose for which the Trust is formed ("the Trust Purpose") is to advance the welfare of Springer Spaniels in Scotland, and without prejudice to the foregoing generality, specifically through:</p> <ul style="list-style-type: none"> (i) the rescuing and re-homing of Springer Spaniels to include assessment, veterinary support, transport, foster care for dogs and, after re-housing, monitoring, welfare and progress of each dog; (ii) encouraging responsible dog ownership, by providing information and education; and (iii) discouraging irresponsible breeding by providing information and education.
Summary of the main activities in relation to these objects	<p>Organisation and Personnel</p> <p>Springer Rescue for Scotland has a structure of a Board of Trustees, and volunteers at local level throughout Scotland. Trustees are responsible for the overall strategy and policy of SRS, and ensuring that both the strategy and the day to day running are carried out in a manner in keeping with the Deed of Trust. While previously SRS had a committee responsible for day to day running of activities, this model has developed, and we now have day to day rehoming and volunteer support activities organised and co-ordinated by a well functioning and experienced rehoming team, with support in other areas such as fundraising, admin, etc provided by other volunteers, often getting together to work collaboratively.</p> <p>Area Co-ordinators continue to be responsible for the organisation and administration of the work of SRS 'on the ground' in various areas of Scotland. Those areas where there is not an Area Co-ordinator are covered by the National Co-ordinators.</p>

**Summary of the main activities
in relation to these objects**

All the work of SRS is undertaken on a voluntary basis.

Internal Communications

Springer Rescue for Scotland Trustees meet a minimum of twice a year, with electronic and telephone communication as necessary in the interim. There are further joint Trustee/Committee meetings scheduled, with excellent electronic communication between the two groups, and it is intended to continue with this model.

Although social media continues to be a major resource for communication between volunteers in all roles, SRS are aware that not all volunteers are users of social media, and our volunteer co-ordinator works to keep all volunteers included, in whichever way is most appropriate.

**External Communications, Education and Raising Awareness,
Fundraising**

The work of Springer Rescue for Scotland is communicated via a website (www.springerrescuescotland.org) This also facilitates access to the services of SRS, publicises dogs in the care of SRS seeking homes, and includes a range of information about the activities of the charity.

Fundraising activities have ranged from individual activities by volunteers, to attendance at craft fairs, companion animal/dog themed events, etc. An important and valuable source of funding is the donations made by those surrendering and adopting dogs.

Volunteer Development and Education

SRS currently has approximately 260 registered volunteers. As SRS becomes a larger organisation, with more widespread volunteers, organising 'physical' volunteer meetings that are accessible and relevant becomes more challenging. The volunteers co-ordinator, with other members of the rehoming team, make it part of their roles to get out and about throughout Scotland meeting up with local volunteers. As this is done as part of their volunteering activities, it is of necessity a rolling programme as time allows.

Experienced volunteers remain very pro-active in engaging with a 'buddy system' to support those less experienced in activities such as homechecking and dog assessments.

Policies and procedures.

SRS continue to use the modified rehoming processes implemented in 2020, the improved application form continues to work well, and adoption paperwork will remain online going forward, this allows us to continue to manage volunteer workload, and volunteers are more likely to see a positive outcome from the work they put in.

APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period

Re-homing Springer Spaniels.
 During 2024 Springer Rescue for Scotland assessed, fostered, and placed in assessed homes 55 dogs. We continue with our policy of neutering all dogs who come through SRS care, and continue to receive excellent support from a number of vet practices who provide neutering services at a price that the charity can afford.

We continue to work with 'Think Pawsitive', to provide fully qualified training and behavioural support when required. This can be provided to help families avoid surrendering dogs, to assist volunteers with initial assessment of dogs, to provide training advice while in foster care, and to support families who have adopted an SRS dog.

Financial review

Brief statement of the charity’s policy on reserves

The Trustee’s continue to build the Charity’s reserves to allow continued support for:
 (i)the rescuing and re-homing of Springer Spaniels to include assessment, veterinary support, transport, foster care for dogs and, after re-housing, monitoring, welfare and progress of each dog;
 (ii)encouraging responsible dog ownership, by providing information and education; and
 (iii)discouraging irresponsible breeding by providing information and education.

Banking

In 2017 SRS moved to fully electronic banking, with governance structures agreed by trustees and put in place. This has allowed more efficient work by the treasurer, speedier payment of bills and expenses, and facilitates ongoing scrutiny of accounts by the treasurer plus two other trustees, for governance purposes. This continues to work well for us.

Aspirations for Springer Rescue for Scotland for the year 2025

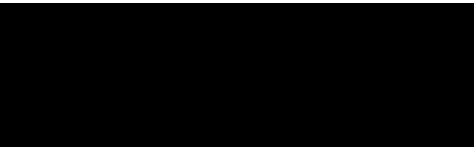

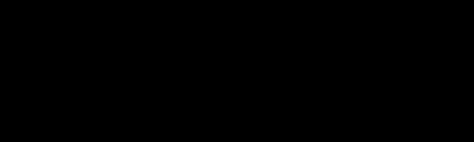

All aspirations are aimed towards further achieving the purposes of the charity as set out in the Deed of Trust.

- SRS will continue to seek to recruit one or more new Trustees. As we move from being a small charity that works with personal communication, and corporate memory, to a larger organisation requiring clear and easily accessible policies, procedures, and lines of communication, we will seek Trustees with skills to support this change.
- We will continue to explore alternative means of providing volunteer education, and support area co-ordinators and the rehoming team in their ongoing programme of volunteer engagement. We will also consider how we might increase the diversity of our volunteers, and take any initial steps to start to achieve this.
- We will seek during 2024 to review our approach to identifying at an early stage dogs that will be difficult to rehome and ensuring that any such dog has a specific plan in place.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.
