Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of citizenship or community development'

What the charity does: We offer opportunities for girls to meet each week, learn about other cultures, religions as well as learning about themselves and their abilities and rights. We promote inclusion, and teach future skills, including social skills and more practical ones. We also offer fun experiences that the girls enjoy together and occasionally offer experiences away from their families sometimes for the first time, such as sleepovers, camping or indoor holidays. we also offer more active opportunities such as archery and climbing. Mostly we are to help the girls become well rounded individuals with various skills, and to encourage them to be good and active citizens.

Beneficiaries: 'Children or young people'

Objectives: Promoting the instruction of girls of all classes in the principles of discipline, loyalty and good citizenship
