Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of animal welfare'

What the charity does: The charity is set up to take in unwanted dogs and rehome them. We do this using a network of foster homes. Dogs are neutered and vaccinated if they are not already done, and receive any other veterinary treatment needed. We advertise dogs for rehoming on our website.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: 1. The objects for which the Company is established are: 1.1 To assume the responsibility for any Doodles (Labradoodles, Goldendoodles, Cockapoos, other Poodle crosses) and Poodles needing to be rehomed for whatever reason and, in particular, to identify appropriate foster home and other resources for the reception, care, neutering and treatment of such dogs, before rehoming to carefully selected homes. 1.2 To promote humane behaviour towards Doodles (Labradoodles, Goldendoodles, Cockapoos, other Poodle crosses) and Poodles by providing appropriate care, protection, treatment and security for dogs which are in need of care and attention by reason of changed or poor circumstances, sickness, maltreatment or ill usage. 1.3 To educate the public in matters pertaining to canine welfare in general and the prevention of cruelty and suffering among dogs.
