## Sacred Heart Fathers Trust

### Report of the Trustees for the Year Ended 30 June 2025

---

The trustees present their report with the financial statements of the charity for the year ended 30 June 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### **OBJECTIVES AND ACTIVITIES**

##### **Objectives and aims**

The principal objective of the charity is the advancement of religion.

This includes:

- The pastoral care of individuals and groups.
- To provide places of spiritual retreat, courses in personal development and religious education
- Assistance with the on-going education of children and young adults
- The relief of poverty and sickness at home and abroad. To assist in the relief of poverty and its consequences in areas of the mission of the Congregation and in areas of natural disasters.
- Welcoming students from poorer countries to study at accredited educational facilities in the UK and Ireland.
- Welcoming students to study at recognised English language schools to enable the international development of the Congregation.
- Providing places of retreat open to all.
- Life - long care for the members. To promote the spiritual, moral, and intellectual wellbeing of the Members of the Congregation.
- To provide services and nursing care for the sick and elderly Members of the Congregation in accordance with the core values and ethos of the Congregation.

## ACHIEVEMENTS AND PERFORMANCE

### Charitable activities

The main object for which the charity is established is to advance religion through the educational, social and charitable works carried on by the Congregation of The Priests of the Sacred Heart of Jesus in England and Wales, Scotland, Ireland and throughout the World in accordance with the ethos, mission and philosophy of Father Leo John Dehon and to provide for the Members of the Congregation during their lives.

The Sacred Heart Fathers continue to offer support for students, adults, retreats, quiet times, spiritual direction and accompaniment for individuals and groups in various locations throughout Great Britain and Ireland. By its very nature the Congregation is an apostolic institute; and so we readily place ourselves at the service of the Church in its various pastoral works. The charity provides facilities where individuals and groups can gather for periods of prayer, silence and recollection. It also provides for the religious needs of people by providing religious services and offering spiritual guidance.

The administrative Centre for the group is at St John's, Stockport, where, as well as offices for the Province Administration, provision is made for older members, assisted by the services of the St John of God Hospitaller Service. The Sacred Heart Fathers witnesses to the Christian faith in both the local and wider community through the provision of worship and prayer space. While St John's is the administrative centre and a residence for the elderly, the facilities of the house are also used to enable people to participate in liturgies and gatherings for prayer. Courses on faith development are offered and groups are able to attend for day retreats or days of recollection. At St John's, the Sacred Heart Fathers also provide for the human development of people by providing courses on psychology and spirituality. Visiting members of the Congregation from abroad are also welcomed at St. John's. Members come for meetings of the Sacred Heart Fathers and have the possibility to spend some time of sabbatical there. Members of the community at St John's assist in neighbouring parishes as well as providing opportunities for prayer and worship at the centre itself. There was an decrease in maintenance costs at St John's during the period. However, maintenance is an ongoing issue. Also heat and light costs increased due to the need to provide a warm and safe environment for the elderly there.

St John's is also the setting for the Promotions Office - the function of which is to promote the spirituality of the Sacred Heart and to keep in contact with benefactors. Various mailings are sent out during the year to our benefactors during the year. A letter is written at least twice a year informing benefactors of recent news and events and inviting them to make a contribution to the work of the Sacred Heart Fathers. The Sacred Heart Fathers greatly value their benefactors and their generous contributions.

Currently, the Order administers the parish of St John Vianney on behalf of the Archdiocese of Dublin. In the pastoral care of those entrusted to us we aim to give concrete expression to our spirituality and develop the life of the Church. In the parish the Sacred Heart Fathers minister to people of all age groups - providing religious services, pastoral accompaniment and enabling people to participate in liturgies. There is also a developing multicultural focus in the parish - with ministry to Indian, Polish, Filipino, and other nationalities attending services there. The Sacred Heart Fathers assist in other parishes in England and Wales, Scotland and Ireland.

The Sacred Heart Fathers are committed to provide support and assistance in the safeguarding of children and vulnerable adults. The Trust implements best practice in safeguarding, ensuring that children and vulnerable adults are safe and well looked after while in the care of any ministry of the Congregation. Members attend training in safeguarding and ensure continual professional development. The Charity is affiliated to the National Religious Life Safeguarding Service in England and Wales, the National Board for Safeguarding Children in the Catholic Church in Ireland and The Scottish Catholic Safeguarding Standards Agency. It also has the services of a safeguarding co-ordinator and has a designated liaison person. All members coming from abroad to engage in any public ministry must provide a testimony of suitability, agree to police vetting and comply with all safeguarding policies and procedures. The Sacred Heart Fathers are committed to properly resource and finance any safeguarding initiative.

The Congregation continues to develop our ministry at Smithstone House, Kilwinning, Ayrshire, Scotland. The community organise religious services and adult spiritual formation courses. Adult faith formation courses and days of retreat are given at various times. It is possible for people to spend time here undisturbed, in silence and tranquillity. Facilities are developed and improved to provide better space for visitors on retreat or attending religious services. This place, for silence, prayer and reflection, is open to all people who seek personal renewal and space. We will continue to use our facilities for prayer and retreat - both for individuals and groups. A particular focus in the period was to continue to improve the facilities of the house and grounds. Both contribute to creating a space for prayer, silence and recollection. This is reflected in the expenditure of the period.

With this in mind, the community at Smithstone House also seeks to promote the protection of the natural environment through education and encouraging public awareness on the importance of the protection of the environment. New shrubs and trees are planted each year as part of our commitment to care for the environment. This also reflects the current thinking, rooted in the writing of Pope Francis, of caring for the earth and our natural environment - also as a path of prayer, renewal, refreshment and finding God in nature.

## Sacred Heart Fathers Trust

### Report of the Trustees for the Year Ended 30 June 2025

---

The community at Inchicore Road, Dublin, Ireland, is the main formation community and welcomes new candidates to the Congregation. It is also a residence for elderly retired members. As the centre of formation it also welcomes students from the Congregation who come from abroad to study. Members of the Congregation from other Provinces, such as Spain, Portugal and Italy are welcomed at Inchicore Road for periods of sabbatical and renewal. Others members, particularly Asian and South American, join with the community while attending English language courses in Dublin. This is to enable those members to develop their ministry to English speakers throughout the world - both in the academic and pastoral settings. English language course fees increased during the period as individuals spent longer at the schools. Since members from abroad attend various academic and training courses the community at Inchicore Road has higher spending in this area. The community also welcomes individuals and groups from the local community for personal development and spiritual growth.

The community at Inchicore Road is also a centre for the care of sick, retired and elderly members from the Province. Maintenance costs at Inchicore increased - reflecting extra plumbing and electrical costs. To provide for the care of the elderly two staff are employed. Consequently, the community at Inchicore Road has a higher wage bill than any other community. It also has the assistance of qualified volunteers available to assist in care giving.

Elderly members in each community house continue to be available to support the work of the Trust through prayer, being available to listen to and support individuals come to our houses. Often this is an undervalued ministry since it is quieter but it is a real service offered to people. When the community is unable to provide a level of appropriate care, individual sick and elderly members can become resident in a nursing home. Depending on the needs of the individual, this can be on a temporary or permanent basis. This situation is constantly under review. It is our intention that all members should be able to stay in the community for as long as possible. However, it is likely that this cost will increase in the future - as more professional assistance is required for the sick and elderly.

The Trust supports members of the Sacred Heart Fathers who work in some of the poorest parts of Europe, e.g. Moldova / Transdnier and across the world in the Philippines, Vietnam and Cameroon. The fund for Moldova was set up after the visit of the Provincial to the area some years ago - and is a response to the extreme poverty of people there. The fund is used to help the Congregation develop its spiritual and social mission in Moldova - providing material aid and also helping to support the pastoral work of the Congregation in Moldova. The funds will be used to alleviate poverty, give support to local communities, providing adult and youth formation, and provide part contribution towards the building of pastoral centre and churches, local medical centres and so on. The project is part of contribution of the Congregation to the overall mission of the Church in Moldova.

In line with Catholic social teaching, the charity will respond in the relief of poverty and its consequences both at home and in areas of the mission of the Congregation and in areas of natural disasters. Where appropriate the Charity will liaise with other bodies involved in charitable works having a main object similar to those of the Sacred Heart Fathers Trust. This is an expression of the philosophy and ethos of the Sacred Heart Fathers. Members are also committed to the philosophy and practice outlined by Pope Francis in his Encyclical, *Laudato Si* (our common home is like a sister with whom we share our life).

Each community uses volunteers in various capacities. The roles now include assisting in administration, caring for the sick, elderly and disabled (including some volunteer retired nurses), housekeeping and cleaning. Whilst the volunteers' work is greatly appreciated it is not appropriate to place an economic value on it and it is therefore not included in the Statement of Financial Activities.

Like all Religious Orders in Europe the Congregation has seen a decline in membership in recent years - mainly due to the death of elderly members. However, priests and brothers from other parts of the Order have come to live and minister here on a permanent or extended basis (always in compliance with visa regulations when required). The international leadership of the Sacred Heart Fathers in Rome is keen to promote the exchange of appropriately qualified personnel. Exchange of personnel is always under review and all must comply with police vetting and safeguarding policy.

Part of the work of the Charity is to promote vocations and ongoing formation. This is to educate and train both current and new Members of the Congregation. In recruiting new members, the Charity hope to carry on its work. In providing ongoing formation (or continual professional development) to current members the Charity aims to maintain a professional standard of service.

The Order will continue to look for new ways of fund raising during the year and seek to attract new donors. It will also continue to develop our promotions resources and material. It will continue to develop links with other regions of the Congregation to foster the exchange of personnel. It will also continue to support the education of future priests and brothers for the Order. The Trust will continue to use its resources for public benefit. The Province will continue to build on the work already being and seek new and creative ways to promote and develop the work of the Trust.

## Sacred Heart Fathers Trust

### Report of the Trustees for the Year Ended 30 June 2025

---

#### FINANCIAL REVIEW

The Provincial Bursar reports regularly to the Trustees and receives financial reports bi-annually from all the communities which are then reviewed.

#### Cash Reserves and Investments

From the balance sheet on page ten of this report it can be seen that there was an increase in the value of the trust from £11,304,848 to £11,378,844.

Cash held in bank accounts and in hand has marginally increased from £3,017,517 to £3,307,916.

The land at Redbourne in Hertfordshire remains let out as farm land. We renegotiated the rent a few years ago but we continue to look into ways that this resource can improve its return for the trust.

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

##### Structure

The Congregation of the Priests of the Sacred Heart (SCJ) was founded in France, in 1878. In Great Britain and Ireland the Congregation is known as the Sacred Heart Fathers. In other parts of the world its members are known as the Dehonians in reference to the Founder, Fr. Leo John Dehon. The Sacred Heart Fathers is a Religious Congregation of men within the Roman Catholic Church. It is an international Religious Congregation of over 2300 priests and brothers living and working in 42 countries in five continents.

The Congregation is divided into Provinces, Regions and Districts. The Great Britain - Ireland Province comprises England, Scotland and Ireland. The Congregation first came to England in 1936, to Scotland in 1970 and to Ireland in 1978. Within Great Britain and Ireland (the GBI Province) it operates as a charitable trust with a single governing body, namely the Provincial Council, which manages the group according to the trust deed of the Charity and the Canon law of the Church. The Provincial Council are the trustees of the charity together with the bursar.

There are regular meetings of the Provincial Council throughout the year. Financial matters are discussed by the trustees at designated meetings. The Sacred Heart Fathers operate in accordance with their Constitutions and also the Provincial Directory of September 2014.

##### Risk Management

The trustees accept their responsibility to carry out and to respond to a regular review of the risks to which the Charity is exposed. By means of audits and expert guidance they seek to ensure that appropriate financial controls are in place to provide reasonable assurance against error and fraud. Management recommendations arising from the annual audit are fully discussed at a finance meeting of the trustees and whenever changes are required to be made these are implemented as fully and quickly as possible.

##### Public Benefit

The trustees acknowledge the Charity Commission's guidance on Public Benefit and have taken this into account when reviewing and planning their activities. In their planning for 2024 - 2025 they considered in particular, how best to use the resources of the Charity in respect of the duty of care owed to the older members. They agreed the improvement of facilities at Inchicore Road and Smithstone House to improve facilities for prayer and reflection. The community at Inchicore Road welcomed more members for study and ongoing formation - enabling continuing professional development essential to our ministry to people. They also welcomed members who wished to develop a professional competency in English to work in universities in Europe and Asia. Also, when appropriate, the trustees will invite these and other members back to the Province to give retreats or days of recollection to people from other nationalities who may want to avail of our facilities and services. The plan for the ongoing ministry at St John's, Stockport was also reviewed and agreed.

##### On-Going Training / Professional Development

New trustees are given induction and training as appropriate and have been provided with relevant material. (CC3, & CC35, from the Charity Commission for England and Wales)

The bursar attends courses and conferences designed to keep him up-to-date with best practice in Britain and Ireland.

He has professional assistance from a firm of chartered accountants with understanding of the Charity sector. The bursar is a member of the Association of Province Bursars (APB) and participates in professional development programmes nationally and internationally.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with law applicable to charities operating in England and Wales, and in Scotland, namely the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008, the Charities and Trustee Investment (Scotland) Act 2005, Charities Accounts (Scotland) Regulations 2006 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006, and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on .....25/05/2026..... and signed on its behalf by:

.....  
Reverend J Kelly SCJ - Trustee

## Report of the Independent Auditors to the Trustees of Sacred Heart Fathers Trust

---

### Opinion

We have audited the financial statements of Sacred Heart Fathers Trust (the 'charity') for the year ended 30 June 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 June 2025 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011 and the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 and the Charities Accounts (Scotland) Regulations 2006 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements;
- or
- sufficient accounting records have not been kept; or
  - the financial statements are not in agreement with the accounting records and returns; or
  - we have not received all the information and explanations we require for our audit.

### Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Our responsibilities for the audit of the financial statements**

We have been appointed as auditors under Section 144 of the Charities Act 2011 and under Section 44(1)c of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with those Acts and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

The objectives of our audit are to identify and assess the risks of material misstatement of the financial statements due to fraud or error; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud or error; and to respond appropriately to those risks. Owing to the inherent limitations of an audit, there is an unavoidable risk that material misstatements in the financial statements may not be detected, even though the audit is properly planned and performed in accordance with the ISAs (UK).

In identifying and assessing risk of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- We obtained an understanding of the legal and regulatory frameworks applicable to the charity and the sector in which it operates. We determined that the following laws and regulations were most significant: the Charities Act 2011, the Charities and Trustee Investment (Scotland) Act 2005, regulation 8 of the Charities Accounts (Scotland) Regulations 2006, UK corporate tax laws, UK employment laws and UK health and safety regulations.
- We obtained an understanding of how the Charity is complying with those legal and regulatory frameworks by making enquiries of management, reviewing the board meeting minutes, and reviewing the legal costs incurred in the year and enquiring with management to the circumstances around these legal costs.
- We assessed the susceptibility of the Charity's financial statements to materiality misstatement, including how fraud might occur. Audit procedures performed by the audit engagement team included:
  - identifying the controls that management has in place to prevent and detect fraud;
  - challenging assumptions and judgements made by management in its significant accounting estimates;
  - auditing the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness, and evaluating the business rationale of significant transactions outside the normal course of business;
  - assessing the extent of compliance with the relevant laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditors\\_responsibilities](http://www.frc.org.uk/auditors_responsibilities). This description forms part of our Report of the Independent Auditors.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008 and in accordance with Regulation 10 of the Charities Accounts(Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

## 1. ACCOUNTING POLICIES

### Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

### Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

### Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

### Support costs

Costs which, while necessary to deliver an activity, do not themselves produce the activity. They include the central office functions of the charity and are often apportioned to activities. The amount shown here is the total amount of support costs (for charitable, fundraising and governance activities) included in resources expended. They are apportioned at the following percentages.

Governance costs	- 100%
Premises costs	- 10%
Communication costs	- 50%
Travel	- 25%
Personnel	- 10%
Financial	- 25%

### Governance costs

Expenditure on the governance costs of the charity includes expenditure that relates specifically to the strategic and future development of the charity.

### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 2% on cost
Equipment and furniture	- 5% on reducing balance
Motor vehicles	- 25% on cost
Computer equipment	- 25% on reducing balance

### Investment property

The investment property has been valued at £50,000 by the board of trustees.

### Taxation

The charity is exempt from tax on its charitable activities.

### Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds comprise unrestricted funds set aside by the trustees for particular purposes. The trustees operate each community and project of the charity as a separate designated fund.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

1. ACCOUNTING POLICIES - continued

**Fund accounting**

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Fund transfers occur biannually in the charity to reallocate financial resources between the designated funds and the general fund of the charity. Funds raised or donations authorised by the trustees, for the restricted activities are also transferred.

**Foreign currencies**

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction

**Investments**

Investments are included in the financial statements at the year end market value. Income from investments, bank and other deposits are included on an accruals basis.

No employees received emoluments in excess of £60,000.

Notes to the Financial Statements - continued  
for the Year Ended 30 June 2025

## 12. EXTRAORDINARY ITEMS

An ex-gratia payment of £157,863 was made in the previous year.

The amount represents what the trustees considered to be a pastoral and moral obligation.

The payment was intended as compensation in recognition of the suffering caused to one of its beneficiaries by a deceased member of the order. The incident which dated back to 1965 came to light during 2023.

The trustees sought legal advice in respect of this matter and this is now settled.

Included in Equipment and furniture are paintings and works of art that were gifted to the charity in 2002. These assets are believed to have residual values not materially different to the carrying values and are therefore not depreciated. These assets were independently valued in March 2002 with a value of £168,000. The replacement value for insurance purposes at September 2014 was approximately £296,000.

Notes to the Financial Statements - continued  
for the Year Ended 30 June 2025

13. TANGIBLE FIXED ASSETS - continued

At 30 June 2025 Smithstone House in Kilwinning Scotland, is disclosed at a carrying value of £249,677 including improvement costs of £243,090, in the opinion of the trustees this has an approximate market value of £750,000. The market value of all other freehold property is not considered to be materially different from the carrying values.
