Activities

Activities: 'It makes grants, donations or gifts to organisations', 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

Beneficiaries: 'People with disabilities or health problems'

Objectives: To provide for persons with hereditary haemochromatosis or associated diseases ('the Diseases') help with those problems resulting from the Diseases (including but not limited to diagnosis, medical care, treatment and financial burden) and to provide such other charitable relief as the Society may think fit. To undertake for the public benefit research into the Diseases and to publish the useful results of such research. To advance the education of the general public and the medical profession into the causes, effects and prevalence of the Diseases with the aim of:- (a)increasing the proportion of haemochromatosis diagnosed as such. and (b)promoting diagnosis at an early stage before the onset of irreversible organ damage
