Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of the arts, heritage, culture or science', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended'

What the charity does: The choir exists for anyone of any age, background or ability who enjoys singing whether they consider themselves to be a terrible singer, an expert or somewhere in between. No audition required. Our motto is "Generations Singing Together". The ethos of the Clark Community Choir is to unite generations in a common purpose - singing popular music for pleasure! We donate our time to care homes, hospitals, other charities, community events and any other occasion where we can bring joy to others. There is no fee to join and we perform free of charge at all events. We fundraise for other charities and donate to charities each year.

Beneficiaries: 'Children or young people', 'Older People', 'People with disabilities or health problems'

Objectives: The bringing together of people of all ages and backgrounds to promote, improve and maintain public education and appreciation of the art and science of music in all its aspects. In order to help people to develop their singing and music skills and in the presentation of public concerts. The CCC shall seek to raise awareness among young people in the choir to the needs of others and to raise money for local, national and international causes. 3. A subsidiary object shall be the provision of an active social programme for the members of the CCC.
