Activities

Activities: 'It makes grants, donations, loans, gifts or pensions to individuals'

Purposes: 'the advancement of education'

What the charity does: Provide financial support to students studying engineering at Glasgow or Strathclyde University. We do this by interviewing prospective students and award bursaries based on academic performance and aspirations to study engineering.

Beneficiaries: 'Children or young people'

Objectives: (a) to provide financial support for pupils from Clydebank High School, Shelley Drive, Clydebank, G81 3EJ, and St Peter the Apostle High School, Kirkoswald Drive, Clydebank, G81 208, to study engineering at The University of Glasgow or The University of Strathclyde. (b) to encourage pupils at the said High Schools to enter into engineering courses at the said Universities. and (c) to assist pupils who may find it difficult to accept a place to study engineering at the said Universities for financial or other reasons.
