## Structure, governance and management

Type of governing document	<p>The charity was set up by representative from churches in Barrhead and was recognised as a Scottish charity with effect from 24<sup>th</sup> November 2010.</p> <p>The charity is administered in accordance with the terms of our Constitution.</p>
Trustee recruitment and appointment	<p>The trustees were those appointed on the establishment of the charity. Appointment and removal are in accordance with the Constitution, which requires that they be approved at a formal Session meeting of the parent charity, Barrhead Bourock Parish Church SC016467.</p>

## Objectives and activities

Charitable purposes	<p>The purpose of the charity is the advancement of religion by developing a Christian partnership between the communities of Barrhead and Kibera; the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage by encouraging and promoting the advancement of education and health programs within the Kibera community, and the advancement of citizenship and community development within both communities by offering members of both communities the opportunity to expand their awareness and knowledge of different cultures.</p>
Summary of the main activities in relation to these objects	<p>During the last year we had 11 trustees, and 1 co-opted member on our committee, along with Bourock's minister. Our committee members come from 3 different Churches in the town.</p> <p>The congregation at Silanga are still meeting in temporary accommodation, whilst they try and sort out a new site for Silanga Church. On the PCEA Emmanuel site, along with the Church building, there is a primary school, and a further education training college called the PCEA Emmanuel Technical College. Emmanuel Technical College is supervised by a Board, whose members are selected from both members of the Church and of the local community who are qualified in different fields. The Parish Minister is the patron of the college. The college is supported from the fees charged to students and also sponsorship from donors.</p> <p>At the beginning of June 2025, we held a zoom meeting with members of Kibera Parish Kirk Session. These Session members are also on the Board of Emmanuel Technical Training College. Following a very informative discussion, our committee decided to support students who could not afford to attend this college and give them a chance to enrol in one of the courses offered. PCEA Session members had identified over 50 young people who have expressed an interest in attending Emmanuel College.</p> <p>Following discussion at our committee meeting, we agreed to forward £3000 (Kes 519,600) to begin the sponsorship process. This has allowed 10 students to register for courses, which started in September.</p> <p>The courses offered include Hairdressing, Fashion &amp; Design, Plumbing, Mechanics, Electrical installation, Catering, and Computing. We look forward to hearing about the progress of these students in due course.</p> <p>If this sponsorship program is successful, we will look to repeat it again in 2026.</p> <p>At the end of November, we again ran our Christmas Greeting leaflet in Bourock Church to raise funds for the project.</p>

## Achievements and performance

### Summary of the main achievements of the charity during the financial period

Income in 2025 was £1,062 arising from sponsorship and donations of £292 and Bourock's Christmas message appeal which raised £770.  
During that summer we used some of our accumulated balance and transferred £3,000 through the Church of Scotland head office to the PCEA Church in Kibera.  
In 2025 the Bank of Scotland changed the type of account we operate and charged £43 for its operation.  
Our other expenditure in 2025 was £52, to maintain our entry on the Data Protection register.

## Financial review

### Brief statement of the charity's policy on reserves

The charity holds unrestricted funds, earned from previous fundraising events and donations, which have not yet been utilised in supporting charitable activities. The balance at the end of the year was £3,686.

### Details of any deficit

Expenditure in 2025 exceeded our income by £2,033, however our accumulated balance funded our expenses.
