## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the prevention or relief of poverty', 'the advancement of education', 'the advancement of citizenship or community development', 'the advancement of human rights, conflict resolution or reconciliation', 'the promotion of equality and diversity', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

**What the charity does:** In Control Scotland works collaboratively to make Scotland's system of social care fairer. Our main focus is on improving people's experiences of self-directed support, ensuring that disabled people and unpaid carers are in control of the support they receive, and that organisations are able to deliver person-centred and rights-based support. We achieve our aims by working in partnership with disabled people, unpaid carers, and the organisations that support them to deliver programmes, conduct research, and offer tailored support to build knowledge, capacity, and resilience

**Beneficiaries:** 'People with disabilities or health problems'

**Objectives:** The Company's charitable purposes are: 5.1 the prevention or relief of poverty, through maximising the access of people with support needs and their families to their entitlements. 5.2 the advancement of education, through delivering training programmes and development activities with and to

people with support needs, their families, and those who support them. 5.3 the advancement of citizenship or community development, through programmes and activities that ensure that people with support needs can live good lives as active members of their communities. 5.4 the advancement of human rights, conflict resolution or reconciliation, through programmes and activities that ensure that people with support needs, and their families, are involved in decision-making, have their voices heard, and their human rights upheld. 5.5 the promotion of equality and diversity, through delivering programmes and activities that challenge discrimination of people with support needs and promote a more inclusive society. 5.6 the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage: 5.6.1 through delivering programmes and activities that advance an equitable, effective and efficient system of health and social care that ensures that people with support needs are able to plan and access support. 5.6.2 by influencing central and local government including National and local health services. responding to, promoting, opposing or supporting legislation or policies. and, petitioning and otherwise seeking to change public policy and practice for the benefit of people with support needs and their families.
