Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of citizenship or community development', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended'

What the charity does: The objects of the Youth Cafe are to provide a safe and welcoming free facility for all the young people of the Rosneath Peninsula. We work together with local and statutory authorities, voluntary organisations and inhabitants in a common effort to provide these facilities and activities. It is an important and vibrant facility, supported by a trained youth worker, that provides the youth somewhere to meet three times a week without incurring any cost. It encourages and fosters personal development, play and social interaction across the age range and promotes physical activity. It therefore contributes towards improving the conditions of life of the afore-mentioned young people and developing their physical, and mental capacities so that they may grow to full maturity as individuals and members of our local community.

Beneficiaries: 'Children or young people'

Objectives: The objects of the Project are to promote the benefit of young people in the community of Rosneath Peninsula by associating with local and statutory authorities, voluntary organisations and inhabitants in a common effort to provide or promote the provision of facilities and activities, in the interest of social welfare, for recreation and other leisure-time occupation, to advance education and to encourage and foster personal development, thereby improving the conditions of life of the afore-mentioned young people and developing their physical, mental and spiritual capacities so that they may grow to full maturity as individuals and members of society.
