FINANCIAL REVIEW

The charity generated total income of £451,490 (2024: £496,758) and recorded expenditure of £533,278 (2024: £541,288). There was net expenditure of £86,475 (2024: £76,287) on unrestricted funds and net income of £4,687 (2024: £31,757) on restricted funds.

Reserves Policy

As at the year-end total funds amounted to £134,584 (2024: £216,372), of which £170,663 (2024: £165,976) was restricted and deficit of £36,079 (2024: surplus £50,396) was unrestricted. The directors aim to hold free reserves to equal three months operating costs. This target reserve amounts to approximately £135,000. Free reserves, being unrestricted general funds which are not tied up as fixed assets, amounted to deficit of £44,783 (2024: surplus £37,649) as at the year end. Unrestricted free reserves are below the target level. The trustees are looking at the ways to increase the free reserves in the coming years and are actively considering new income streams. The Directors have initiated a full review of all activities to ensure that sufficient funding is in place to cover the full cost of each activity. This, along with the actions being undertaken to address the reserves deficit gives the Directors comfort that the charity can continue as a going concern.

Going concern

The Directors continue to closely monitor the charity's position as a going concern in light of the deficit in general reserves at the end of the 2024/25 financial year. The charity has a longstanding relationship with East Lothian Council, and it is considered unlikely that this funding will cease in the foreseeable future. This, together with the actions being taken to address the reserves deficit, provides a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future.

Investment Policy

The Directors intend to retain the Charity's unspent funds in cash and will continue to ensure that the best rate of interest is obtained in respect of these funds.

Risk Management

The trustees have assessed major risks to which the trust is exposed, those relating to the operations and finances of the trust and are satisfied that systems are in place to manage exposure to those risks.

PENNYPIT COMMUNITY DEVELOPMENT TRUST

ANNUAL REPORT OF THE DIRECTORS (continued)

For the year ended 30 June 2025

The Pennypit procedures addressing risk management are in place and will be discussed annually and actioned if needed. Risk Management will be a Standing Item on meeting Agendas with the risk register and any Action Plan being discussed regularly at Trust meetings.

PLANS FOR FUTURE PERIODS

The Pennypit Community Development Trust continues to connect with our local communities in the PSG, Fa'side and Musselburgh areas, supporting those in need. This includes accessing funding for the projects and developing relationships with like-minded partners. The directors and staff provide these services to deliver direct impact in our local community and continue to work towards our business strategy for future plans.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Pennypit Community Development Trust was originally set up as an unincorporated association under a Constitution dating from 1992. On 23 March 2011, the Trust was granted charitable status. A company limited by guarantee was incorporated on 13 June 2011 and the operations of the Trust transferred to the company from 1 July 2011. It is constituted as a company limited by guarantee and is bound by its Memorandum and Articles of Association.

Organisational structure

The Charity is governed by a Board of Directors, who are Directors for the purpose of company law and Trustees for the purpose of charity law. Under the requirements of the Memorandum and Articles of Association the Directors are elected by the members to serve for a period of four years, after which they must be re-elected at the next Annual General Meeting.

The governing documents entitle Preston Lodge Rugby Club and Preston Athletic Football Club each to nominate two Directors. East Lothian Council are entitled to appoint two Councillors of East Lothian Council as ex officio Directors. Prestonpans Community Council is entitled to appoint a Community Councillor as Director. Up to three further Directors may be appointed by the members which must include a young person representative, whom are recruited via invitation or advertisement.

In general, Directors take overall financial and strategic planning responsibilities meeting approximately every two to three months to discuss matters such as policies, future activities and performance of the Charity. The day to day administrative and operational management is delegated by the Board to the key management staff.

Director induction and training

The individual training needs of the directors is assessed at induction and then periodically throughout the term of their appointment. They are given an induction pack and provided with online training.

Remuneration of key personnel

The directors consider that the key management personnel of the charity, in charge of directing, controlling and running the charity on a day to day basis, comprise the Board and the senior management team. All directors are volunteers and no director received remuneration in the year. Remuneration of senior staff tracks the processes of East Lothian Council and Scottish Local Government settlements.

ANNUAL REPORT OF THE DIRECTORS (continued)

For the year ended 30 June 2025

RESPONSIBILITIES OF THE DIRECTORS

Company law requires the board of directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the directors should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions of part 15 of the Companies Act 2006 relating to small entities.

Approved by the Directors on 26 March 2026 and signed on behalf of the Directors by:

PENNYPIT COMMUNITY DEVELOPMENT TRUST

INDEPENDENT EXAMINER'S REPORT TO THE DIRECTORS

I report on the financial statements For the year ended 30 June 2025, set out on pages 7 to 19.

Respective responsibilities of the Trustees and the Independent Examiner

The charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's Trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- 1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44 (1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended); and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations (as amended)have not been met; or
- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The matter that has come to my attention relates to the disclosures in note 1 'Going Concern'. The level of unrestricted free reserves at the year end indicates the existence of a material uncertainty which may cast significant doubt about the charity's ability to continue as a going concern. The financial statements do not include the adjustments that would result if the charity was unable to continue as a going concern.

PENNYPIT COMMUNITY DEVELOPMENT TRUST

NOTES TO THE ACCOUNTS (continued)

For the year ended 30 June 2025

1. ACCOUNTING POLICIES (continued)

Tangible Fixed Assets

Assets are initially recorded at cost and only assets over £500 are capitalised. Depreciation is provided in annual instalments over the estimated useful lives of the assets. The rates of depreciation are as follows:-

- Land and Buildings – 4% per annum
- Plant and Equipment – 7%, 10% or 33% per annum

Financial instruments

Financial instruments comprise financial assets and financial liabilities which are recognised when the charity becomes a party to the contractual provisions of the instrument. They are classified as “basic” in accordance with FRS102 s11 and are accounted for at the settlement amount due which equates to the cost. Financial assets comprise cash, prepayments and other debtors. Financial liabilities comprise accruals, other creditors and deferred grant income.

Unrestricted funds

Unrestricted funds are income receivable without specified purpose and are available as general funds.

Restricted funds

Restricted funds are subject to restrictions on their expenditure imposed by the donor or through terms of appeal.

Operating Leases

Costs incurred in respect of operating leases are charged to the Statement of Financial Activities on a straight-line basis over the life of the lease.

Pension

The charity operates a defined contribution scheme for the benefit of its employees. The assets of the scheme are held separately from those of the company in an independently administered fund. Contributions payable are charged to the Statement of Financial Activities in the year they are payable.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Going Concern

The accounts recorded a deficit for the year of £81,788, and unrestricted reserves were in deficit by £36,079 at the year end date. However, the Directors have initiated a full review of all activities to ensure that sufficient funding is in place to cover the full cost of each activity. Furthermore, the charity has a longstanding relationship with East Lothian Council, and it is considered unlikely that this funding will cease in the foreseeable future. As a result, the Directors believe that the charity will continue to be able to meet its liabilities as they fall due for a period of at least 12 months from the signing date of these financial statements. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.
