Much support was received from a vast number of orthodox communities and churches within the UK and abroad.

Future plans

Since the purchase of the new church, various works have been carried out, such as, restructuring and refurbishing parts of the building as well as the surrounding areas. This has been achieved by the substantial input of the community who worked very hard to make the church a welcoming place of worship and a place where people can spend time together socialising.

Various fund-raising events took place over the last few months, including cake baking, children's activity days and so on.

Facilities such as a kitchen and dining area have been established as well as a children's area and toilet upgrading, etc

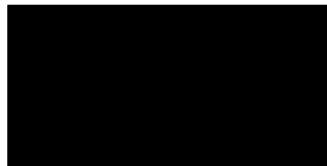

The Romanian school has also progressed well; it became a registered charity with its own area within the church. The children have been involved in various school events, competitions and took part in various courses and classes over the past few months.

Going forward, the charity's aims are to thrive spiritually and continue to maximise the use of all the facilities comprising the church buildings. This can already be evidenced due to the continuous devotion and input of the community.
