Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of environmental protection or improvement'

What the charity does: Our charity is a support service to schools in the Grampian region of Scotland, working predominantly with those in Aberdeen city. We specialise in using the urban environment for learning and teaching providing pupils with a local context for their studies. These experiences give a stimulus for further learning in the classroom. Our resources always include a sustainable development element wherever possible. Our experiences are linked to social subjects and science.

Beneficiaries: 'Children or young people', 'Other defined groups'

Objectives: To promote and develop Sustainable Development Education in Scottish schools through supporting curriculum initiatives and, in particular, the Curriculum for Excellence.

Geography

- **Main operating location:** Aberdeen
- **Geographical spread:** More than one local authority area in Scotland
