Objectives and activities

Charitable purposes

The purpose of the charity remains primarily to facilitate the raising of funds for the school, to extend and improve the experiences of our pupils and their families.

Summary of the main activities in relation to these objects

The main focus this year has been the raising of funds to support the school in the development of the playground by adding more play equipment suitable for pupils with disabilities. Fund raising has consisted of a number of parent-led fundraisers linked to our Just Giving page, donations from individual people and organisations, and the participation in a charitable lottery.

Funds raised via Just Giving page = £14109.53

Funds raised via The Giving Machine Lottery = £441.60

APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period

A significant amount has been raised towards our target of £50000 for new playground equipment.

A successful grant application was made to the Morrison's Foundation which enabled us to support the school to finish the landscaping and construction of 2 allotment gardens in the playground.

A grant was made to the school of £500 to allow the purchase of a stock of nappies and incontinence products to support families for whom this is a significant expense.
