## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

**What the charity does:** The objective of this charity is to raise funds in order to maintain a holiday house for children and their families in Tayside and north east Fife who are suffering from cancer and leukaemia, or have suffered from cancer and leukaemia. We have extended our support for holidays to families in the whole of Scotland in order to ensure the TCCL Lodge is used as much as possible but we operate a gating system to ensure Tayside and NE Fife families have easy access. TCCL Lodge has received various donations and proceeds from fundraising events in order to achieve the objectives of the charity. This is a long term project aimed at raising sufficient funds to maintain the holiday facility for many years to come.

**Beneficiaries:** 'Children or young people', 'People with disabilities or health problems'

**Objectives:** (a) To provide a holiday cottage facility where the families of children suffering from Cancer or Leukaemia can enjoy a holiday or break in the knowledge that they are within reach of the medical support of Ninewells Hospital, Dundee should this be required during the course of their break. (b) To operate and maintain the holiday cottage facility provided for in (a) above, by raising sufficient funds for this purpose.
