OVERVIEW

Message from the Chair

This has been a difficult year financially with lack of funding available and increased pressure on the service to deliver, but credit to the team who have kept going, kept providing and keep delivering new and inventive initiatives and ideas to keep the organisation relevant and sustainable in these uncertain times.

Kymberly Campbell, Chair

Our Mission

To remove feelings of isolation and loneliness for families with young children and to eradicate child poverty in Scotland.

We achieve this by offering a warm welcome to all families attending the play centre, creating community within the community by offering friendship and removing stigma and barriers to success by providing bespoke support services designed with families to build capacity and leave no one behind.

Program Highlights

This year we delivered:

850 play sessions, 96 ASN stay and play evenings, 12 courses of Baby Massage, 48 Walk & Talk sessions to get families active, 48 Massage Circle sessions, 48 Supper Club evenings, monthly focus group meetings, 12 Ready to Work courses, 48 Breast feeding and weaning sessions, 48 Tummy Time workshops, 2 uniform swap shops, 1 Baby items swap shop and 1 Toy swap event, 2 free clothes markets for families, 1 multiagency ASN information day and 1 ladies pamper day. Our community larder continues to provide emergency provision for families in need.

Visitor numbers increased by 35% with us seeing a total number of 20,156 visitors in 2024.

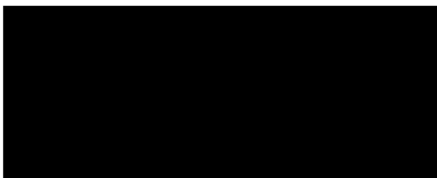

Looking Ahead

Our mission remains to help families out of poverty not only in our local area, but across Scotland. As such, we have developed our own brand of biscuits and coffee to be sold in all major retailers and the hospitality industry to raise much needed funds for our organisation, and the organisations operating throughout Scotland who share our mission. Contracts have been secured with Asda Scottish branches and the push is on to secure further contracts. This initiative will also provide training opportunities, work experience and employment opportunities.

Our ASN provision is being recognised for its outstanding work supporting families with children who have additional support needs as numbers exceed capacity. As such, we look to secure funding to grow and extend this provision offering additional stay and play sessions to keep numbers manageable, adult only evenings for respite, advocacy services within our area and seek partnership opportunities to provide a robust support network for families in need.

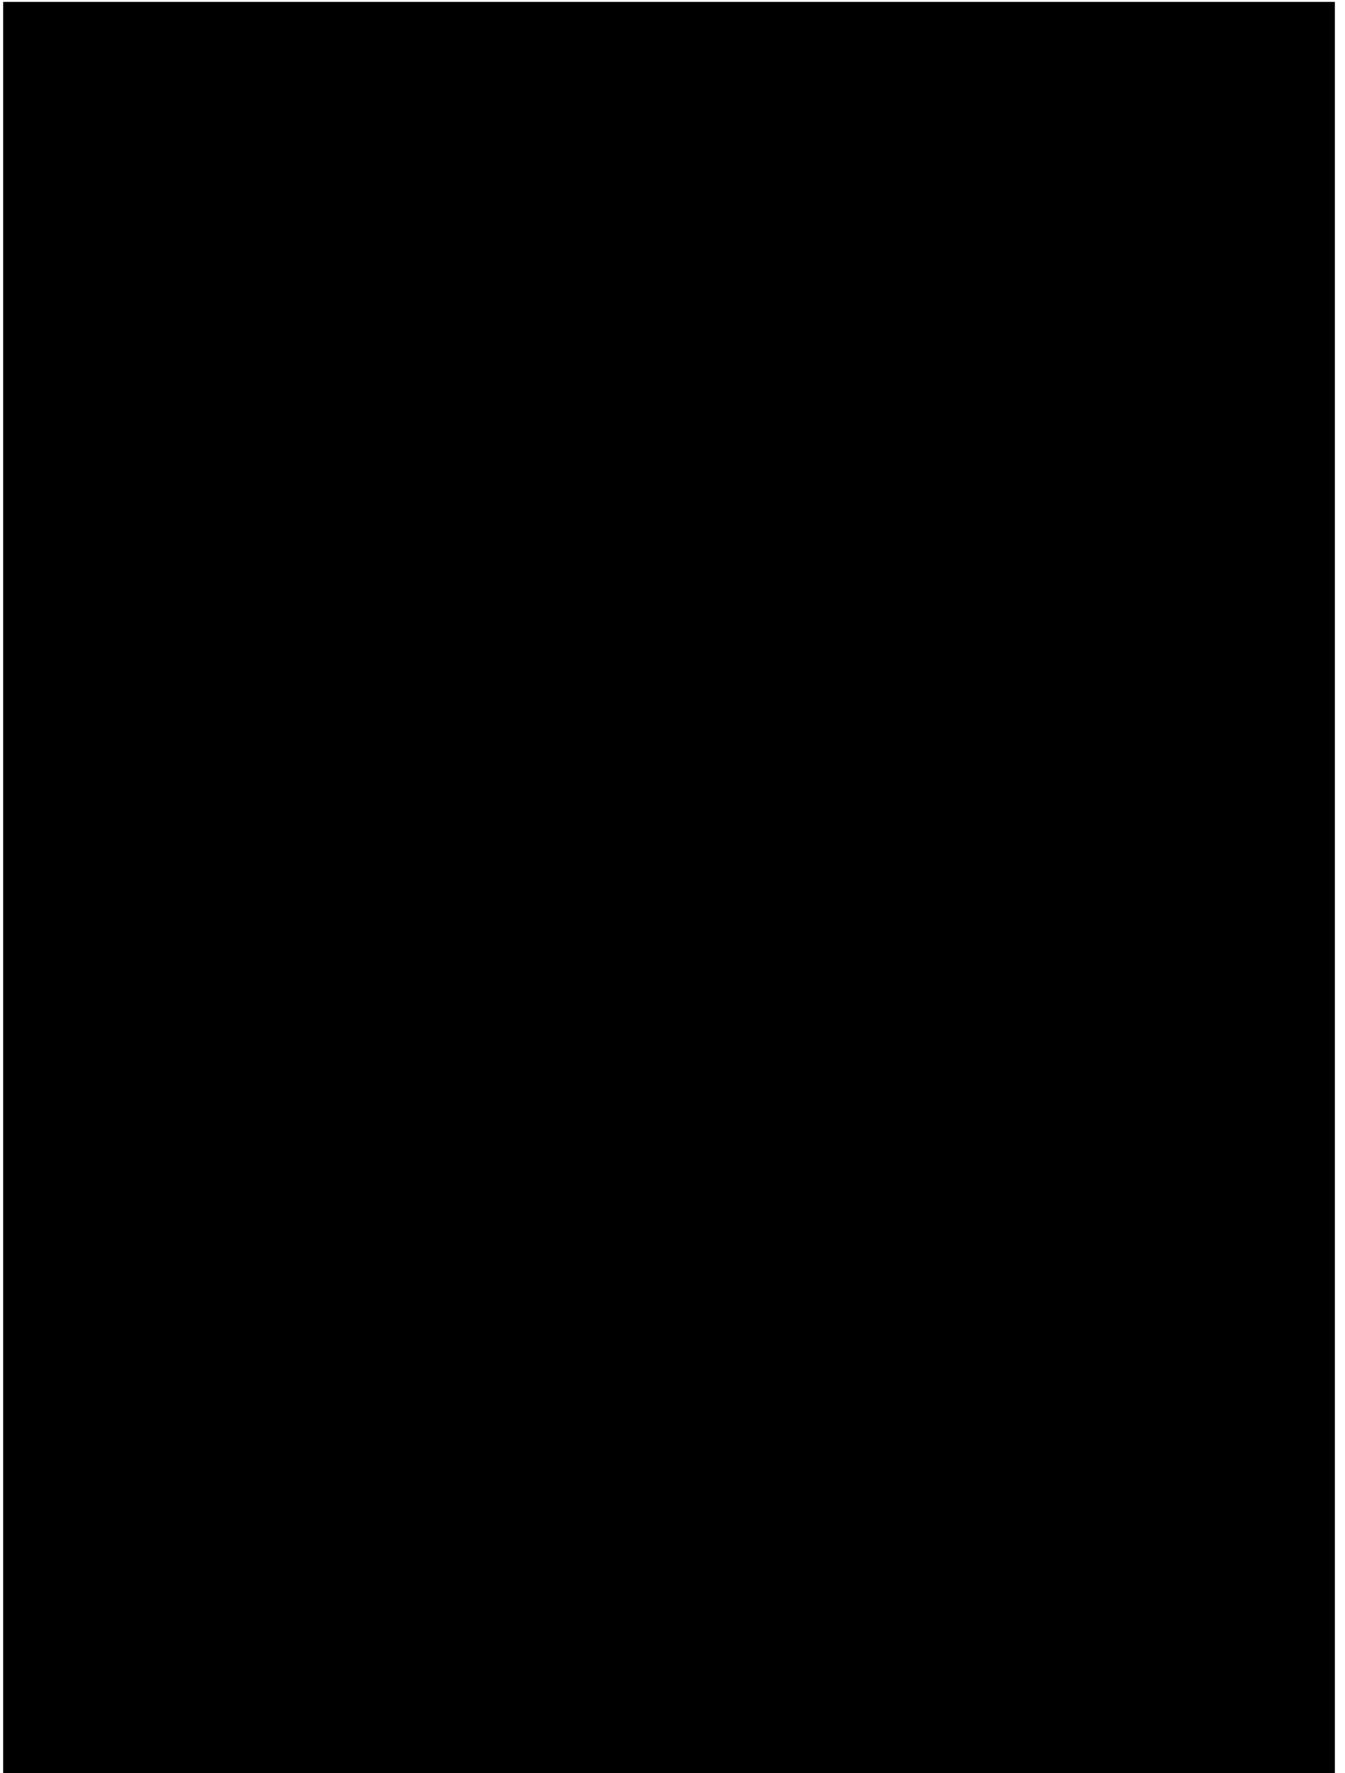

Over the coming year we will focus on community outreach to engage with a wider audience, promoting the organisation and the work of partner organisations to ensure local families know what services are available to them.

We will continue to work with all stake holders to design and deliver sessions and events that meet the needs of the families within our community.

Independent examiner's report to the trustees of Famillics Like Us SC043484

I report on the accounts of the Trust for the year ended 31st October 2024 set out in Page 1 and 2

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Statement by Examiner

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
