## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of education'

**What the charity does:** Earthtime's core social purpose is to improve lives and outcomes for families and young children in Moray through spending time outside in nature – exploring, protecting, enhancing and enjoying the natural environment. Our ethos is based on one of nurturing and encouraging inclusive, child-led participation in play and nature based learning activities. Earthtime aims to develop stronger family bonds to increase self-esteem and confidence for both children and their parents or carers to build more resilient and stronger communities. Earthtime has provided projects throughout Moray since 2011 and has developed strong working relationships with other third sector organisations and professional education and health care workers. Accredited with the Forest School Association and registered with the Care Inspectorate we run an outdoor Forest Nursery for children aged 2 – 5 years, before/after school care, Waddle Toddle, Nature Play and Woodland Activities, Forest School sessions and m

**Beneficiaries:** 'Children or young people'

**Objectives:** To promote the advancement of environmental education in Moray and the surrounding area.

## Geography
