Objectives and activities

Charitable purposes

The main objectives of the Charity are to:

- To promote all aspects of planting and maintaining new and established orchards in the Community Council area of Glenorchy & Innishail.
- To encourage sustainability and biodiversity and improve the local and wider environment.
- To create local networks and markets for fruit.
- To promote healthy eating and access to locally grown food.
- To promote the planting of fruit trees as part of community development and educational projects.
- To provide local opportunities for volunteering and community involvement.
- To manage the woodland, according to sound forestry principles, in order to maximise their potential for educational and recreational use and their value to wildlife.

Glenorchy and Innishail Community Orchard and Woodland Garden

Trustees Report (Cont'd) For year ended 30th September 2025

Summary of the main activities in relation to these objects

The management committee met regularly, to plan the programme of maintenance for the year ahead, assess financial requirements, agree funding applications, plan volunteer workdays, encourage new volunteers and agree the planning and arrangement of community events in the garden.

The AGM held on March 28th was well attended and people came up with a list of future plans.

The management committee and volunteers remain committed to the objectives of the group, managed by individual efforts to keep the community garden at a basic level of maintenance sufficient to meet health and safety requirements and for it to be enjoyed and used by the public safely, when restrictions allowed.

Achievements and performance

Summary of the main achievements of the charity during the financial period

Work continued in Autumn 2024 to implement recommendations from the health and safety audit. Volunteer sessions were held to clear paths and stack wood left from the initial work to the large trees. The funding application for major work to mature trees was successful.

Dalmally Primary School pupils made sustainable decorations and decorated trees in the orchard as part of their Christmas celebrations. Additional battery lights were purchased for the Christmas lights switch-on and funds allocated for refreshments. In the event, it proved to be a very stormy day, so the lights were put up by a small number of hardy volunteers and attendance was less than expected.

Storm Eowyn hit Scotland, on 25th January 2025, resulting in large scale damage to trees in the orchard. The decision was taken to close the orchard, in the interest of public safety, and it remained closed until major work had taken place to make it safe.

With this completed, regular volunteer sessions were held on the second Sunday of the month in Dalmally, throughout the rest of the Spring and Summer, to prune trees, maintain the willow structure, keep brambles and ferns in check, strim and cut the grass. These attracted some new volunteers and volunteers from the Community Fire Station joined when they were able, helping out with some of the heavier tasks, such as renewing fence posts.

Regular monthly volunteer sessions were held throughout the spring and summer, on the third Sunday of the month at the Portsonachan site, to maintain flower beds, hedges, weed the patio and paths and strim.

Planting continued on both sites to increase colour and interest for visitors.

Both sites continue to be well used by members of the local community, as well as people from further afield. The orchard is used by people from nearby villages such as Taynuilt and Oban, some 25 miles away, as well as many visitors to the area. Scottish Wild Picnics continue to use the orchard to host their events.

Independent examiner's report on the accounts

**Report to the trustees/members of Glenorchy and Innishail Community Orchard and Woodland
Garden on the accounts of the charity for the year ended 30th September 2025**

I report on the accounts set out on pages 1 to 7

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - a. to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - b. to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulationshave not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
