Structure, governance and management

The organisation was initially incorporated as a company limited by guarantee and not having a share capital. On 2 March 2015 the organisation converted into a Scottish Charitable Incorporated organisation. The SCIO is recognised as a charity by OSCR and HM Revenue and Customs. The Trustees are the members and make all the decisions concerning the organisation.

On 29 February 2024 the charity changed its name from VIP Arts and Sports Academy to VIP PASS Community Project to reflect VIP's development of many more activities within the community.

VIP-PASS Community Project

Trustees' Annual Report *(continued)*

Year ended 30 June 2024

Objectives and activities

The charity was originally set up as a company limited by guarantee.

On 2 March 2015 the organisation converted to a SCIO and adopted a constitution with the following charitable objects:

- (1) The Advancement of Education;
- (2) The Advancement of Arts, Culture Sport and Physical activity;
- (3) The Advancement of Citizenship or Community Development.

The area within which the organisation shall operate shall be Viewpark and the surrounding area.

The organisation shall promote (but not promote exclusively) its activities and delivery operations to people within Bellshill and Thorniewood and surrounding areas who are in need of such activities and facilities. These people will be the organisation's beneficiaries.

VIP-PASS Community Project sits in the middle of the community known as Fallside and provides a safe and welcoming place for people of all abilities. The community of Fallside has a long history of high deprivation, social exclusion, poverty, unemployment, poor housing and low educational attainment and territorialism. By offering a range of activities such as physical and social groups, our project aims to offer support for people in the local area and beyond, to make better life choices.

VIP's mission statement

"Every Child and Young Person has a Talent, that Talent may not be academic, but this should not hinder them in shaping their Unique individual Skills and Talents. Talents should be developed and nurtured, this should be affordable to all not just the privileged. VIP try to give every Child and Young Person the opportunity to open their horizons to what they can achieve, after all these Children and Young People are our future Adults and will shape the structure of our communities in coming years, setting Goals and Paths for the next generation".

- By participating in the activities offered, our organisation aims to improve the following: Improved confidence and self-esteem
- Provide opportunities to learn new skills
- Create a positive attitude towards learning
- Develop positive relationships with peers
- Improve physical fitness and overall wellbeing
- As well as promoting the development of friendships
- Break down social barriers between different age groups.

VIP-PASS Community Project

Trustees' Annual Report *(continued)*

Year ended 30 June 2024

Achievements and performance

Our project aim is to bring the local and wider community together, to make them more active, build friendships, learn new skills, interact with one another. We have achieved this by setting goals, developing, and adapting new and existing programs to meet our service user's needs, a wide range of activities are available centered around dance, sport, gymnastics, boxing, cookery, music singing, arts and crafts, horse-riding, gardening and health & beauty. This improves overall physical, emotional and mental health and wellbeing.

New for this year:

Chatter not Chitter warm spaces, and Little Explorers groups are very popular.

The demand for zoom has disappeared, as all members are back to face activities.

The community as a whole are involved in these programs, we are a fully inclusive group for all ages, where everyone is encouraged to take part from development to delivery. VIP has created a safe and welcoming focal point within the community where our members can interact with each other, forming strong bonds and relationships with similar type people, this breaks down age barriers and addressing territorial issues.

The project is run by a board comprising of 3 trustees, management team of 10 voluntary members, 1 paid project manager, 1 paid admin officer, 1 paid finance officer, 1 paid building coordinator operating from the VIP-Pass centre. This team meet on a regular basis to discuss delivery, development, evaluation and outcomes.

Strong local and positive partner relationships and connections are vital to the current and future success of VIP and these partnerships enable inclusive growth

1) Local TSI who ensure as a charity VIP are compliant with all current and new legislation relating to any matters concerned with governance and compliance of a charity and charitable status. They also keep us up to date with funding streams, training opportunities and additional topical workshops

2) Working closely with several strategic partners ensure maximisation of resources and services

3) Working with our local schools, care homes and nurseries providing an outreach program delivering the same activities as above were possible. The aim of this is to improve health and wellbeing, these links allow us to reach a wide range of people making sure no one is being missed who would benefit from our programs

4) NHS Lanarkshire signpost people to our service that could benefit from our programs

5) Local counsellors use the centre for their surgeries and support VIP in its aims and objectives

6) Local business help raise funds for special events

7) Police Scotland - Having strong links with our community police allows our service users to form positive relationships which discourages anti-social behaviour

8) Attending and contribute to several community partnership ensures we are aware of strategic developments that effect local people and local services All of this ensures there is no duplication of services and that what VIP offer is enhancing and adding value to local people. Links with the above partner organisations gives them opportunity to input, add value to our services when a gap in demand for local services occur.

VIP-PASS Community Project

Trustees' Annual Report *(continued)*

Year ended 30 June 2024

9) The partnership with Bellshill fire station where a community garden has been created with in the grounds is in phase three and is well used by schools and VIP participants. The produce is offered to the local community and food banks.

All of the VIP team are fully checked with Disclosure Scotland and hold current (PVG) that covers all age categories, attend regular training in their own fields of expertise as well as training in first aid, child protection, safeguarding and health and safety.

Our project manager is a fully qualified Solihull trainer, Child Protection and Safeguarding trainer and First Aid trainer, delivering to other projects and groups, as well as in-house training for VIP.

A vital part of our team are our coaches who are at the highest levels of qualifications within their own specialized fields. These subcontractors are aware that exposing people to new skills and activities allows them to push beyond their comfort zones, increase self-esteem and confidence allowing them to set stretch goals in areas previously unexperienced or considered. Increasing people's resilience to bounce back from adversity increases their life choices and positive destinations. The activities that our experienced coaches deliver ensures that people are in a growth mindset and know that repeated effort, dedication, and commitment creates success, pushing forward, achieving accreditations, gradings and qualifications helps them to take on more and bigger challenges improving their lives in the future.

VIP strives to create a fully inclusive organisation of excellence in many fields and across it's team in turn creating a community project based on the local communities needs and wants no matter what their age, financial or academic background may be, looking beyond the person and helping nurture talent.

Our motto is: **"Walk In Dream out"**

Talent lies within and should be nurtured, protected, adapted to individuals' needs and developed accordingly. In the past year, the project has continued to develop and adapt to the ever-changing circumstances, taking into consideration the continued cost-of-living crisis. VIP Project has the capacity to deliver over 60 sessions per week and these are all now face to face. These sessions range from 1 to 3 hours and are centered around the above-mentioned programs and activities. Sessions take place at the VIP centre throughout the day and evenings. The delivery of outreach sessions to schools, nurseries, care homes, partner organisation's and after school are thriving.

In 2023/24, most participants gained accreditation in one or more activity. All new subcontractors and volunteers updated First Aid certificate and child protection training. All the VIP Team attended many training sessions upgrading many of their existing qualifications. Creating a safe and welcoming focal point within the community, working with all age groups.

VIP continue to expand our programs, management team, volunteer program, participants sub-committees and fundraising committees, members of group activities continue to grow and take responsibility for their own activity, highlighting what needs to be developed or adapted to meet their needs creating groups who are working as one team.

VIP have various groups for everyone, allowing them to take part in many activities centered around health and wellbeing. Due to their circumstances, they would not have had the opportunity to participate normally due to the cost, these are being offered at little or no cost. VIP continues to develop the mentoring scheme with our existing coaches and participants sub-committee and now have many young people shadowing coaches. The evaluation program set up to record student and service users' achievements continues. This outlines targets and outcomes set by VIP and specialized coaches working and delivering each specific project as well as taking into consideration aims targeted within funding bids. This in turn is looked at by our management team to enable VIP to create, adapt and develop the next set of programs and projects, tailored around the needs of each individual group.

VIP-PASS Community Project

Trustees' Annual Report *(continued)*

Year ended 30 June 2024

VIP will continue to develop existing programs with end goals being met in all levels of progression from 1 beginner to 5 advanced, delivering a gala performance and a presentation of awards ceremony annually. The outcomes of these are monitored on a regular basis and developed accordingly.

VIP will continue to recruit sessional coaches to facilitate new and existing programs being delivered face to face.

Financial review

The charity had a deficit of £(1,988) (2023: surplus £4,286) on unrestricted funds for the year. The charity has free reserves of £20,365 (2023 £24,927).

Plans for future periods

The asset transfer property did not come through as NLC decide to withdraw asset from list, we are still looking at other assets and continue to be in talks with the NLC asset's transfer team.

Our partnerships with other originations are growing and at present we are looking at joint bids between VIP Pass and The Well Foundation for work with the BAME community and NHS Lanarkshire for work with carers and the people they care for

We have added 2 new coaches to our team Graffiti Art and Musical Theatre.

The trustees' annual report was approved on 24/03/25 and signed on behalf of the board of trustees by:

VIP-PASS Community Project

Independent Examiner's Report to the Trustees of VIP-PASS Community Project

Year ended 30 June 2024

I report on the financial statements for the year ended 30 June 2024, which comprise the statement of financial activities, statement of financial position and the related notes.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations
- have not been met, or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

VIP-PASS Community Project

Notes to the Financial Statements

Year ended 30 June 2024

1. General information

The charity is a public benefit entity and a registered charity in Scotland and is unincorporated. The address of the principal office is Fallside CC, McCulloch Avenue, Uddingston, G71 6NJ.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities and Trustee Investment (Scotland) Act 2005 and the Charity Accounts (Scotland) Regulations 2006 (as amended).

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

VIP-PASS Community Project

Notes to the Financial Statements *(continued)*

Year ended 30 June 2024

3. Accounting policies *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Resources expended are included on an accruals basis and are recognised in the period in which they are incurred.
