## Trustees

### Objectives and activities

#### Our Aim

This group was set up in 2011 (and became a SCIO in 2014) to advance citizenship and community development by encouraging increased public use of the Fisherrow waterfront for recreational and social purposes; promoting the awareness of the Fisherrow Waterfront as a community asset; and fostering opportunities for the community to participate in shaping and managing the area. What we do We help advance public participation in sport and leisure by seeking to maximise opportunities for organised and informal sports and active lifestyles in relation to the beach and the sea at Fisherrow.

#### What we do

We help advance public participation in sport and leisure by seeking to maximise opportunities for organised and informal sports and active lifestyles in relation to the beach and the sea at Fisherrow. We help advance environmental protection and improvement by working with other interested parties to secure physical improvements to the natural environment at Fisherrow harbour and waterfront, and the most effective management of the waterfront space that meets the various local needs. We help advance the arts, heritage, culture and science by supporting and enabling projects that protect and enhance the statutorily listed Fisherrow harbour, contribute to the regeneration and development of the area and improve the setting of the historic Harbour.

#### Who we help

Fisherrow is open to the general public, so we are aiming local residents, harbour users, and visitors to the area.

#### Structure, governance and management

##### Type of governing document

Trust with written constitution. Meetings open to the public; free membership with voting rights; committee appointed by Board of Trustees; Trustees elected by members. Trustee recruitment and appointment No fewer than 5 Trustees elected by Board membership. Board of Trustees then appoint Chair, Vice Chair, secretary, and Treasurer from Trustee Group. All Trustees stand down each year at AGM.

## Achievements and performance

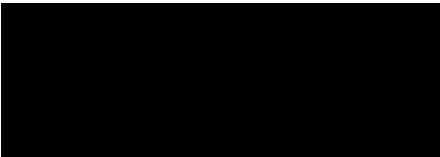

We applied for and received a National Lottery Community Fund grant for £537 in the previous year and due to covid had some money left over. The Lottery fund agreed we could use this surplus to host another Winter Wonderland event. An opportunity for locals to produce artwork for their windows and become an art trail for folk to wander around. We registered as an event on the website, which allowed people to register their interest and for others to see the map of the artwork.

The trustees then agreed to wind this charity up and for the money remaining in the bank account to be donated to Fisherrow Harbour and Seafront Association, who are a similar charity in the same area providing similar events.

OSCR was provided with the relevant paperwork and has agreed to this course of action.

**Nature and purpose of funds**

Received a National Lottery Community Fund grant on 31 Jan 2020. This has come in the form of a prepaid card for £537. TO be used for our family fun day and christmas events.

Due to Covid we decided our christmas event would be Winter Wonderland, which became an opportunity for locals to produce artwork for their windows. We registered with the website as an event, which allowed people to register their interest and for others to see the map of the artwork. The registration on the website was £450 and allowed the map and for peoples contact information to be help securely.

Spent £84 on beach cleaning equipment on 31 August 2021 before the deadline from the Lottery.

£15 wasnt spend last year so was paid back into the bank account 25 October 2021.
